Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years.

This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship.

Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

How You Approach Relationships

You are always sensitive to others' feelings, and you pick up on even the slightest change in mood. Life for you is, above all, an experience to be lived and felt, and you find yourself sometimes up and sometimes down. You look to your partner for continual advice and guidance. You prefer a mate who is able to give you an overview or picture of what is happening. It's even OK if your partner runs a tad cool, because you tend to run a little hot... sometimes gushy. You depend on the calm, disciplined advice of a good manager -- which is what your partners often turn out to be.

Capricorn on 7th Cusp

You like a partner that is a hard worker, perhaps a little on the serious side -- a mainstay of the community. They may tend to run a little cooler than hot, and this is OK with you. You may benefit from the discipline that an older, more accomplished, life brings to you. You may have a tendency to find your partners restrictive and too serious at times.

Saturn Ruler of 7th

Report for Ben Affleck Strengths in your relationships

You really know how to pace yourself and seldom waste a moment or a move. It would be difficult for you not to be a success at anything you choose to do. Career problems seldom last long or prove very difficult. Others remark on your creative energy, great drive, and the fact that you never seem to let up. It all runs so smoothly. You may be moved to work with the law, publishing, education -- any field where you have an opportunity to guide and educate others.

Mars Trine Jupiter (orb: 01 36')

People just naturally love you, perhaps because they sense that you really care for them too. This amounts to more than just a minor talent. You have lots of friends, and many relationships. You're just fun to be around. You may hang out with artistic types, or be one yourself. The feminine, in all of its aspects: fashion, beauty, style, etc., is your cup of tea. You love people and working with the public.

Moon Trine Venus (orb: 02 42')

A real love of science and natural laws. You are a hard and tireless worker with absolute determination and the ability to carry great projects through to completion. Always the protector to all those you come to know, you tend to have long and secure relationships. Since you are a natural conservative, those older than yourself (authority figures) tend to benefit you.

Sun Sextile Saturn (orb: 04 05')

You are attractive and tend to be physically active. You just might participate in or manage some athletic endeavor. You are in tune with your feelings and really know how to play a crowd for the maximum response. You can always count on support from those around you. You seldom hide how you feel and therefore are no stranger to an occasional argument. You probably got a lot of emotional support as a child, especially from your mother.

Moon Sextile Mars (orb: 04 32')

An original thinker, perhaps an inventor. You have a very sharp mind, capable of real insight. You are always thinking of new ways to do things or a new use for something. You are great at finding solutions for existing problems where others have run out of ideas. Almost anything can be turned to an advantage, once you put your mind to it. Communication of all kinds, especially computers, electronics, and the new technology, is right up your alley.

Mercury Sextile Uranus (orb: 04 37')

You have an uncanny sense of justice coupled with an innate ability to interpret the law, whether manmade or natural. This may manifest thru your showing others the way thru, or beyond, the problems in their lives. A practical sense of how to manipulate the opportunities that appear in life. Just plain luck! A natural love for those with more experience or authority. A teacher, or benefactor, is likely.

Sun Trine Jupiter (orb: 05 59')

You were born lucky and have never had trouble finding support and approval from others. You may find that working with people is what you want to do for a career. Whether professionally or not, you will find yourself guiding and directing other people in one way or

another. You have a way with other people and could do well in advertising, sales... any occupation that works with the public. If anything, you might have had it a little too easy, been a little too lucky.

Moon Sextile Jupiter (orb: 06 07')

You have great emotional control, and this allows you to pace yourself in ways average people cannot. You can keep control when others lose it. This suggests the capacity for sustained effort on your part which may manifest in a natural athletic ability. Your relationships, which tend to be long lasting, are easy going. There is an accent on leadership and masculinity.

Sun Conjunction Mars (orb: 07 35')

Challenges in your relationships

You sometimes have trouble distinguishing between your dreams of life and the actual reality. Or you lack the discipline to make those dreams real, to work to make reality be as you always dreamed it could be. This could lead to unreasonable expectations of other people, especially your lover. A tendency to daydream finds you with a number of false starts. You are easily distracted and have difficulty carrying things through to the finish. You may worry about being deceived by others.

Mars Square Neptune (orb: 02 15')

You don't always say just what you mean. For that matter, you may sometimes not even know how you feel about something. You tend to envy people who can always put their finger on how they feel. It can be hard for you to talk about your feelings. Any partner will have to understand this about you. Are you often moody? Yes, probably.

Moon Square Mercury (orb: 06 04')

Report for Ben Affleck Your Relationship with Jennifer Lopez

You find Jennifer supportive when it comes to matters of your career. She understands where you are headed and how it is best to go about developing your practical and vocational side. With her help, you can make great strides in your managerial ability. She has an instinctual sense of your capabilities (of what you would do best) and she can't help but nurture you in these matters. She might be instrumental in getting you out of the closet and into the public eye.

Her Moon in Your Tenth House

Jennifer is, above all, very supportive. If you have been looking for a genuine response to your special qualities, this should be it. Upon meeting her, you felt an instant trust and enjoyed a rare sense of security. She responds to you with warmth and appreciates who you are. It's the next best thing to having a mother! she may have a beneficial effect on your finances and resources too. She has a real instinct for handling money. In addition, other financial benefits may come to you through Jennifer.

Her Sun in Your Second House

She becomes very articulate when it comes to matters concerning your finances, resources, and possessions in general. You feel that she truly is concerned with what is best and most productive for you. Here is someone you can really talk to about subjects that most might find dull and unexciting. You find her suggestions to the point and almost always productive. You might like to take her on as a business partner just for her financial insight.

Her Mercury in Your Second House

Here is a real admirer of your mind and mental qualities. Above all she loves to share ideas with you, whether by phone, letter, or in person. There is endless chatter when you two get together. This relationship could find you waxing very eloquent and becoming downright creative. You might feel that your ideas and thoughts are worth writing down after being with her. She probably laughs at all your jokes and even dotes on the poetry you write.

Her Venus in Your Third House

Jennifer could be a positive asset when it comes to business and financial concerns. She can provide drive and may push you to improve yourself, make more money, etc. There is incentive here for you to respond to whatever opportunities may be latent in your situation. You may become more active in this regard as a result of this relationship. Money and possessions get a boost. The relationship may involve some jealousy and possessiveness.

Her Mars in Your Second House

Jennifer tends to lead you out of yourself, and urges you to make greater efforts, to reach out and express yourself. You may overdo. Certainly she is a key person as regarding how you view and feel about yourself. Through her you have come to experience more confidence and happiness. You are proud to be with her and, most of all, she is just fun to be with. Children and animals are two things you share. There may be a tendency to spend all at once. You feel creative and artistic around her.

Her Jupiter in Your Fifth House

Whatever this relationship may or may not be, it probably is not a social triumph. Jennifer may tend to be a damper when it comes to group or community get-togethers. Your friends may not like her, or she may be critical of the goals of a particular group. Any groups she might approve of would have very strict morals and ethics. She may simply not like to get together in groups.

Her Saturn in Your Eleventh House

Jennifer could be your key to off-beat life styles, alternate ways of living, and new-age homes. Perhaps your home life and day-to-day routine has changed since you first met her. She may encourage you to try different methods of child-rearing, homesteading, or family methods. The traditional life style is just not Jennifer's way.

Her Uranus in Your Fourth House

There is a sense of romance and mystery with Jennifer. Your love assumes almost ideal proportions, and you both tend to get transported to some very fine states of mind. Music, poetry, art... creative expressions of all kinds seem to get a lift. Everything seems to be in synch. This is almost a storybook romance. You may tend to be carried away from time to time. You love the movies.

Her Neptune in Your Fifth House

You have an immediate gut reaction from Jennifer, especially when she challenges your more traditional ideas of security -- home and family. She can be a disruptive force in your day-to-day routine and home life. She knows just how to get at you, and you may become very emotional when the two of you are together. You may find yourself hiding this relationship, reserving it for times when you can be alone with her.

How You Approach Relationships

You're a real smoothie, refined and ever so facile when it comes to handling other people -- a diplomat. And yet -- despite all of this apparent calm -- you like your partners anything but cool. You can't resist impulsive and action-oriented people -- the more daring, the better. You bring out the recklessness in those you love, and you love it. Although at first meeting one might never suspect this, you love to walk on the wild side.

Aries on 7th Cusp

Relationships tend to be hot and heavy. You are drawn to partners who are aggressive, assertive, and very emotional. Independence and adventure are things you value in others. You tend to depend on your partners to get you motivated and keep you moving. You need someone who is stimulating emotionally.

Mars Ruler of 7th

You really depend on relationships for growth and support, and you tend to find yourself in, and by means of, other people. Others find you very supportive. You may be a bit of a "mother hen" when it comes to watching over your friends and partners.

Moon in 7th House

Report for Jennifer Lopez Strengths in your relationships

You have a real drive to discover or invent things. You are always pushing the envelope, going the limit. You know it is at the leading edge where all the real breaks occur. You are fascinated by what is happening in technology and communications. Others find you original and nonconventional, especially in your love life. You have your own very original idea of love, emotions, and marriage. You march to a different drummer when it comes to relationships.

Mars Sextile Uranus (orb: 01 19')

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

Moon Trine Mercury (orb: 01 55')

You have great emotional control, and this allows you to pace yourself in ways average people cannot. You can keep control when others lose it. This suggests the capacity for sustained effort on your part which may manifest in a natural athletic ability. Your relationships, which tend to be long lasting, are easy going. There is an accent on leadership and masculinity.

Sun Conjunction Mars (orb: 02 47')

You have a sense of the extraordinary and wonderful about you. People sense that you have an insight into the larger picture, and you can communicate this idea of unity to a group. You are great at working with images, whether psychological, artistic, or cinematic. You probably love movies and music, anything with a grand theme or gesture. You are not just another dreamer. You can put your imagination to work. Your partner may have to work overtime to live up to your ideal of him/her, and to keep you down to earth and away from woolgathering. You need someone who loves to explore the dreamy psychological underside of life. You see beneath the surface of things.

Sun Trine Neptune (orb: 03 08')

You love whatever is new or different, and breakthrough flashes of original insight are typical. You could invent something, and you have a natural love for communication and new-age technology. You appreciate independence and originality in others, especially in a partner, and may tend to have unusual friends who are very likely male. You like to keep things spontaneous.

Sun Sextile Uranus (orb: 04 06')

You are, from time to time, really inspired to the point of moving others with your enthusiasms. You exercise an almost hypnotic quality over those who listen in when your imagination takes over. Dreams, psychology, and all things occult and metaphysical are your especial province. You're never afraid to take the plunge when matters of idealism or imagination come to the fore. You feel and experience the unity of life -- that we are all in some way, one. Others sense this about you.

Mars Trine Neptune (orb: 05 55')

You manage to cram many lifetimes into one, for it seems like you're always being reborn and starting life over again. Others may have a hard time keeping up with your changes. You do well in face-to-face and gut-level situations that would exhaust most people. You really come into your own when the going gets tough or when it's time to "get down" and face facts. Good leadership potential for emergency situations

Sun Sextile Pluto (orb: 06 01')

Challenges in your relationships

Everyone would agree that you make a good critic, although not everyone would agree that you are always fair. You don't like opposition. In conversations, you may find yourself squelching others' points of view. You have great mental endurance and tend to involve yourself in projects that most would find tedious. You like repetitive work.

Mercury Square Saturn (orb: 01 45')

You have a tendency, or perhaps a knack, for ignoring good advice. More than once you have found yourself at odds with the correct, or prescribed, way of doing things. This could manifest in a problem with authority figures. For example, you may tend to disregard the suggestions of an authority figure, perhaps your father. You have trouble doing just a little, and tend to be extravagant.

Sun Square Jupiter (orb: 03 50')

You may have to cut your own way when it comes to a career, for you may not always get the kind of support you need from others. The result may be that you end up with a very unusual vocation. Probably not much interested in working with the public, either. Your partner will have to understand that you are not likely to follow the crowd, and be willing to let you find your own way. Getting things started and off the ground may be harder for you than for most.

Moon Opposition Jupiter (orb: 06 13')

You may squander your money, tend to expand too rapidly, do too much. Your feelings often run counter to the status quo or accepted norm, with the result that you may tend to be a bit of an outlaw. This could extend to your married life too, which might be somewhat unconventional. A stubborn streak may find you refusing to walk the straight and narrow, doing what is expected.

Mars Square Jupiter (orb: 06 37')

Report for Jennifer Lopez Your Relationship with Ben Affleck

You knew from the moment you met him that here was a person who couldn't help but be supportive to you. He approves of almost everything about you. At times this could get a touch claustrophobic, but if you need a boost, here is a good partner. Because he is so indiscriminating, the temptation is to add him to your fan club, which negates the value of this support. Everyone enjoys being a hero once in a while.

His Moon in Your First House

The two of you probably met as part of a group that shared some common interest. Ben struck you as a peer, an equal who shared perhaps the same new-age way of seeing things that you do. You have both had the same vision, a common dream, and probably share a mutual resolve to see that those dreams happen. There is a sense of a brave new world about this friendship. The two of you standing on the edge of the future. He represents the way you feel relationships should be. There is a feeling of doing the right thing, what ought to be done, even at the expense of a little warmth.

His Sun in Your Eleventh House

Ben is someone you will value for his practical and pragmatic outlook on life. You may come to depend on his advice regarding your career, or work. He can put into words ways and ideas of doing things that may better help you manage your own business. Here would be a good business partner too, one whose speaking and writing skills could prove of great value and use.

His Mercury in Your Tenth House

He values the more philosophical side of you, and it is hard for you not to end up in the role of teacher in this relationship. You find yourself in long discussions that may be as much monologues on your part as anything else. Not everybody thinks of you as a philosopher and sage. Not a bad experience. Ben is interested in your long-term goals, inner vision, and moral principles. You might enjoy traveling together.

His Venus in Your Ninth House

He tends to be gung-ho when it comes to community affairs and group projects, a real driving wheel. He loves to bring friends together and get everyone motivated. He manages to get you involved in all kinds of group-related affairs that you might not otherwise try. He may sometimes drive everyone a little mad with his ambition and idealism. He has the best intentions in the world.

His Mars in Your Eleventh House

Conversations with Ben are more than just stimulating. You find them instructive, producing solutions to questions that you may have wondered about for years. He seems to have a knack for guiding you in just the right direction. You admire his mind and good judgment. He may encourage you to speak, write, and in some way communicate to a fuller extent.

His Jupiter in Your Third House

You are going to have to put your money where your mouth is when it comes to matters of truth or morality, for Ben will tolerate nothing but a straight gate. You will tow the line. He

could be a great help to you in separating the wheat from the chaff from among your many philosophies or grand ideas. On the other hand, you could get the idea that you are immoral just because you don't happen to be as strict as he is. It may be difficult to travel.

His Saturn in Your Ninth House

Never dull, you find Ben's offbeat ways and independent manner exciting. There is always a sense of the unusual or unexpected when you are together. He may lead you off the beaten path, introducing you to new and unconventional people and places. There is a bohemian flavor to this relationship.

His Uranus in Your First House

No matter how dreamily romantic this relationship feels, it could have a very real quality if it extends to your finances or resources. Ben is an idealist of the first water and may not have the practical experience needed to make decisions involving money and property. He has the very best intentions, but you could experience a sense of loss through him. Better to enjoy his company and let the loss be all the petty details of life, rather than some real investments.

His Neptune in Your Second House

He may exercise an enormous influence on how you view your role in life. Your whole idea of what you are here for and what it is to be human may be transformed. Ben has a way of separating the wheat from the chaff and getting right to the heart of things. Through knowing him, you may find yourself going through deep changes in attitude, discovering more compassion, self-sacrifice, and patience. He will put you in touch with the saint in yourself.

His Pluto in Your Twelfth House
