Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years.

This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship.

Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

Report for Elvis Presley How You Approach Relationships

Your manner of relating to others is open and direct, and you somehow always manage to get right to the heart of things. No sidesteps. Everyone knows where you stand because your heart is always right there on your sleeve. On meeting you, one might expect that you would seek out another no-nonsense and serious type as a mate. Not so. You find relief from your own single-mindedness with someone who is, above all, fun and easy to talk to; talk and mental stimulation are things you really enjoy. The fact that they are a bit of a lightweight, always on the move, and even a bit frivolous, doesn't bother you one bit. You're delighted.

Gemini on 7th Cusp

Above all, you have a need for partners that are bright, witty, and that like to talk and communicate. You must have mental compatibility before you get serious about someone. Aside from talking, you like others who are interested in speaking and writing.

Mercury Ruler of 7th

Report for Elvis Presley Strengths in your relationships

You have an uncanny sense of justice coupled with an innate ability to interpret the law, whether manmade or natural. This may manifest thru your showing others the way thru, or beyond, the problems in their lives. A practical sense of how to manipulate the opportunities that appear in life. Just plain luck! A natural love for those with more experience or authority. A teacher, or benefactor, is likely.

Sun Sextile Jupiter (orb: 00 50')

You have a sense of the extraordinary and wonderful about you. People sense that you have an insight into the larger picture, and you can communicate this idea of unity to a group. You are great at working with images, whether psychological, artistic, or cinematic. You probably love movies and music, anything with a grand theme or gesture. You are not just another dreamer. You can put your imagination to work. Your partner may have to work overtime to live up to your ideal of him/her, and to keep you down to earth and away from woolgathering. You need someone who loves to explore the dreamy psychological underside of life. You see beneath the surface of things.

Sun Trine Neptune (orb: 02 47')

You are a great problem-solver, and can always think of a way to do almost anything. Your friends know you to be fair, and your integrity is unquestionable. You may find yourself interested in legal matters, publishing, philosophical and religious subjects, and would make a good teacher or instructor. Scientific investigation would interest you.

Mercury Sextile Jupiter (orb: 04 14')

You have a knack for coming up with just what the crowd wants. You are nothing else if not an original. You can take an ordinary event and turn it into something brand new, really special. You may have had a somewhat unusual upbringing, and you like a partner who is independent and also a bit unusual. Things are seldom boring with you, for you always have just the right idea of what to do.

Moon Sextile Uranus (orb: 04 31')

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

Sun Conjunction Mercury (orb: 05 04')

Others soon learn how responsible you are, and that they can depend on you for real support. Sure, you are perhaps a little too organized and run more cool than hot, but you really do care and never let your friends down. Whatever you do is built upon a solid foundation, and that includes relationships. Too serious? Aloof? Perhaps, but you are loyal, dependable, and don't enter into relationships lightly.

Moon Conjunction Saturn (orb: 06 17')

Report for Elvis Presley Challenges in your relationships

You could have a fear of the new and different -- of sudden changes. However, once they occur you really get a charge out of them. You would like to break away and live an unusual, exciting existence, but your conventionality holds you back from making the move. The result is that you often feel frustrated and mired in the humdrum. Jealousy in love affairs could present a problem.

Venus Square Uranus (orb: 01 52')

You may have a tendency to poke your nose into others' business. You can't resist, and yet you're often afraid of what you'll find. Skeletons in the closet and sensitive areas of people's lives both fascinate and terrify you. You have trouble just coming right out and dealing with a touchy subject. It puts you through too many changes. You would rather snoop around.

Mercury Opposition Pluto (orb: 02 50')

Power struggles are no stranger to you. You tend to put off confrontations until they build up and then explode, kind of like having your own built-in volcano. You probably have considerable emotional tension and a strong sexual drive. Your flair for secrecy could find you with more than one lover, several affairs.

Venus Opposition Pluto (orb: 04 14')

Others sense in you the presence of much energy, almost a tension. You may tend to have trouble just relaxing and find yourself always on the go, doing things. This aggressiveness could lead to undue competition and striving. You may have a sense that you can't always trust your drive and feelings. There also could be a tendency to buck authority, in particular, powerful men.

Sun Square Mars (orb: 04 24')

Everyone can testify to your brilliant mind, but most would also find you somewhat erratic and unpredictable. You don't always have the follow-through you pretend to have. You tend to change your mind in the middle of a project and go rushing off in some new direction. You are to some degree the victim of your own whims. You have trouble finding practical uses for your plentiful insights.

Mercury Square Uranus (orb: 05 12')

You may have an inordinate fear of dying or confrontation, for there is a part of you that resists change and tends to put off getting down to the real heart of a problem and clearing it up. This attempt to avoid confrontation may find you involved in one power struggle after another when it comes to personal relationships. All of this creates a lot of energy that you carry around with you. Working it out takes patience and great care. You tend toward explosions and may have strong disagreements with authority figures.

Sun Opposition Pluto (orb: 07 54')

Report for Elvis Presley Your Relationship with Priscilla Presley

In Priscilla you sense that here is someone who instinctively understands and is supportive of your deepest hopes and dreams -- all that is best in you. You were probably good friends right from the start, and this friendship may be more important to you than any love relationship that develops. You both could be part of a group or a cause, and matters of conscience and ideals are something that you both can get behind. When you are with her, your more altruistic ambitions and aims seem to come to the fore.

Her Moon in Your Eleventh House

Meeting Priscilla has got to be good for you, at least for your health and personal habits. She is sure to give you a hand at implementing all those many projects that you have never gotten around to doing, like eating better, cutting down on this, and so forth. She is really able to get you to work on taking care of these kinds of details. And she cares for you in about every way you could imagine. Where else could you get this kind of service? In many ways she is your own conscience come alive. Working hand and hand with her should take a great burden off your mind.

Her Sun in Your Sixth House

You find yourself waxing romantic whenever you spend time with Priscilla. She seems to bring out the poet and orator in you. There may be a tendency to talk more about love than to learn of it. If you are at a distance, phone calls or long letters may be in order. She is expressive and effusive, always an outpouring of feelings and energy. You find yourself talking a lot about yourself when you are with her. There is a wholesome quality to your conversations that you look forward to.

Her Mercury in Your Fifth House

She seems to appreciate your more domestic and homey qualities. She likes the way you feel, physically and emotionally. Priscilla tends to bring out the parent or protector in you and tends to banish your thoughts of coolness and distance. You have thoughts of home life and domesticity when you are with her. The idea of putting down roots, settling down, and just living life takes on value through knowing her.

Her Venus in Your Fourth House

Any relationship with Priscilla is going to have real emotional overtones. She has a knack for getting you right in the pit of your stomach. It will never be dull, but it's not likely to be tranquil either. She has real opinions, and tends to push you to declare yourself and to send out roots. There is a drive to get you to settle down and make a home. She has a lot of energy behind this thought. It may be just what you need to stop postponing the domestic scene. She is a real experience.

Her Mars in Your Fourth House

Priscilla may be a real leader or inspired teacher for you. Through her you may discover a more philosophical and religious side of yourself. You respect her integrity and judgment, and have no trouble following her lead, because she is always fair and knows the right way to handle things. You may have long walks and long talks. Traveling somewhere together would be ideal.

She tends to open up your mind to new horizons, perspectives, and possibilities.

Her Jupiter in Your Ninth House

A serious and perhaps lasting relationship, but not necessarily a romance. Priscilla can't help but exert a certain influence or control on your social sense -- how you react to other people. You may find it difficult to respond to her, for she might be more at home at a funeral than a party. If you are too loose and free on the social scene, this could be a beneficial person to know. You will learn a lot in a hurry.

Her Saturn in Your Seventh House

You may have met in an unusual, unexpected way. There is always this sense that she may vanish as quickly as she appeared. You never are quite sure what she is about to do next. There is a strong possibility that Priscilla was a key to introducing you to new people or a new crowd. Time spent together is fun and filled with a sense of adventure and discovery. She is good at sharing new ways to approach people and relationships.

Her Uranus in Your Seventh House

Priscilla could have a strong effect on your motivation and career direction. You may find her inspiring and able to give you a clear picture of the ideal possibilities of your work. She is capable of generating great enthusiasm on your part, and you are easily enchanted by her images and words which can have an almost numbing effect on you. If you work closely together, this can have a very beneficial effect on your attitude. If you get too far apart, the whole thing can take on an unreal quality.

Her Neptune in Your Tenth House

This relationship is passionate and intense. You can't ignore Priscilla, and she knows how to get right to you with a single glance. She won't put up with excuses or habits of yours which are a waste of your time or money. She is not afraid to get right in there and change you herself. She doesn't ask your permission to do the obvious. This may result in a real power struggle for you both. On the other hand, this could be a powerful business relationship.

Her Pluto in Your Eighth House

Challenges in your relationship with Priscilla Presley

You may tend to ignore Priscilla's feelings, resulting in arguments and clashes of wills. Your relationship tends to run hot and cold, but when you're hot you are very hot. There may be some hard feelings between you.

Your Sun Square Her Mars (orb: 00 17')

She doesn't appreciate the way your mind works. Your words are wasted on her. You may find yourself being mentally critical of her ideals and sense of values. She doesn't like the way you think.

Your Mercury Square Her Venus (orb: 00 28')

You may not feel very supportive of Priscilla, and she may not be able to depend on you as much as she would like. She seems to go against your feelings more than a little, and this could lead to many a confrontation.

Your Moon Square Her Sun (orb: 01 28')

You may feel that her attempts to discipline you are ineffective at best. Throwing cold water on your enthusiasms has never done much for you. You may delight in shattering her neat little universe from time to time. You feel repressed by her.

Your Mars Square Her Saturn (orb: 03 47')

Your relationship can have all the humor of a "push me-pull you" comedy routine. It is surprising how the two of you manage to come up against each other time after time. If there is not an understanding of this tendency, it could end up with endless arguments and harsh feelings. It's amazing, with all the energy you both have, that you can't seem to come together very often.

Your Mars Opposition Her Mars (orb: 04 07')

Harsh words and arguments may not be uncommon. She tends to irritate and get pushy, with the result that you may get sharply critical and say more than you intended. Your analysis of her feelings may drive her a little crazy.

Your Mercury Square Her Mars (orb: 05 21')

You may feel that Priscilla may not always appreciate you enough and that she purposely doesn't give credit where credit is due. You may act and do things that go against her set of values.

Your Sun Square Her Venus (orb: 05 32')

This may never do. Neither of you are able or willing to give the other much credit. There is a lack of appreciation, and very little sense of shared values. You may not like the same things.

Your Venus Square Her Venus (orb: 06 36')

You may find her influence limiting and even oppressive at times. She may tend to cling to you, and there is this sense of never being able to really get going. There may be authority problems. She may view you as harsh or restrictive.

Your Sun Opposition Her Saturn (orb: 08 11')

Mercury Ruler of 7th

You approach relationships with great caution and may even shy away from them. They are not something you are apt to take lightly. If you do enter into one, it is a very solemn business with you, even downright religious. You insist that any bond be a strong one and based on the most serious of reasons. You might just find it easier to join with God and live a religious life than to take a living partner. Not much given to flings, you may prefer to marry late or be involved in a marriage where one partner is much older than the other. Your social life may include priests, ministers, monks, and other very disciplined folks.

Moon Trine Saturn (orb: 02 04')

You can't help but think in an organized way, and you are a stickler for routine. You love it. You probably have a scientific bent, for your analytical abilities are first rate. You love first principles and getting down to the bare bones of a subject. Mathematics and all things technological are a snap for you. You have great mental endurance and probably have done more than your share of studying. So serious.

Mercury Sextile Saturn (orb: 02 41')

You have a real drive to discover or invent things. You are always pushing the envelope, going the limit. You know it is at the leading edge where all the real breaks occur. You are fascinated by what is happening in technology and communications. Others find you original and nonconventional, especially in your love life. You have your own very original idea of love, emotions, and marriage. You march to a different drummer when it comes to relationships.

Mars Sextile Uranus (orb: 04 19')

You manage to cram many lifetimes into one, for it seems like you're always being reborn and starting life over again. Others may have a hard time keeping up with your changes. You do well in face-to-face and gut-level situations that would exhaust most people. You really come into your own when the going gets tough or when it's time to "get down" and face facts. Good leadership potential for emergency situations

Sun Sextile Pluto (orb: 04 41')

A born lover. You feel right at home with your emotions, and others can't help but remark at your bright, cheery attitude. People like to be around you because you are very expressive and always quick to reveal when you like someone or something. You seldom hide what you are feeling. A love relationship is a real necessity for you and you seldom are without one. You are at home with your sexuality.

You were born lucky and have never had trouble finding support and approval from others. You may find that working with people is what you want to do for a career. Whether professionally or not, you will find yourself guiding and directing other people in one way or another. You have a way with other people and could do well in advertising, sales... any occupation that works with the public. If anything, you might have had it a little too easy, been a little too lucky.

Moon Sextile Jupiter (orb: 06 35')

Report for Priscilla Presley Challenges in your relationships

You don't always say just what you mean. For that matter, you may sometimes not even know how you feel about something. You tend to envy people who can always put their finger on how they feel. It can be hard for you to talk about your feelings. Any partner will have to understand this about you. Are you often moody? Yes, probably.

Moon Opposition Mercury (orb: 00 37')

You have always felt vulnerable when deep emotional issues are brought up, and may have a history of avoiding confrontation and self-examination. You are ever so sensitive to ideas of death, helplessness, and vulnerability in general. You see them only too well, and they haunt you. There may well be some childhood experiences that were rough or harsh for you to accept. Any partner will have to tread very gently when it comes to matters of feelings and security. You may tend to dominate a relationship, but without success.

Moon Square Pluto (orb: 02 56')

You may have a tendency to poke your nose into others' business. You can't resist, and yet you're often afraid of what you'll find. Mercury Square Pluto (orb: 03 33')

Report for Priscilla Presley Your Relationship with Elvis Presley

You can benefit a lot from the support of this person. If you stop and think about it, you couldn't imagine a much more perfect response from the cosmos to yourself than you find in Elvis. For one, he is almost totally supportive of you, warts and all. And there is every reason to believe that he could aid you financially, as well as romantically. Good things could happen with and through him. Here is a real opportunity for you to take hold and develop your resources. This is fertile soil for many things.

His Moon in Your Second House

Your meeting Elvis was exciting and action oriented. In many ways, you are two of a kind. Chances are that you identified with him at once. After all, he is very much like yourself -- like looking in a mirror. Just the person to draw you out of yourself and get you doing things. He may have brought a sense of adventure and risk into your life. You found yourself doing things with him, daring to live, and making a statement. You found yourself really coming across with him, being all that you can be. As corny as this sounds, the world has really been more responsive to you since you met Elvis.

His Sun in Your First House

You like the way he thinks. Meeting him was probably easy, and you were able to talk right from the start. You find that he likes to talk about you and how you are, without your having to feel vain or egocentric. You enjoy this. Others may tend to see you as two of a kind, as much friends as lovers. There is a real potential for partnership here. Since the communication lines are always open, you could team up on a project involving speaking or writing -- something intellectual.

His Mercury in Your First House

He feels that you are special and seeks to encourage you. You both share a sense of value and worth, and he probably appreciates your position in life and possibly your resources. He will want to give anything he can to help you, and this could take the form of gifts, monetary support, etc. He knows the value of money and will always seek to strengthen and multiply any resources you may have. There is a sense of shared values.

His Venus in Your Second House

Elvis always manages to bring out the philosopher in you. He can be a moving force in developing your deeper and more metaphysical qualities. There is a real emotional tone to how you relate, but it tends to confine itself to matters of religion and values. The two of you could have discussions that often turn into debates. He could be responsible for pushing you toward a role as a teacher or guide to others.

His Mars in Your Ninth House

He is a very social being and may be the key to your making friends in the community or within a particular group. His high ideals and selflessness guide you in your own behavior. He could introduce you to political or social values that are uplifting. The two of you share dreams and ambitions. He can show you how to put these ideas to work. A good friend.

His Jupiter in Your Eleventh House

This could be an expensive relationship, for Elvis can't help but put your resources to the test. He may not value you to the degree that you would like him to, or he may not respond to what you feel are your better qualities. This can leave you feeling cold and disappointed. The charm that others may find intriguing is wasted on him. This is not to say that this will not be a worthwhile relationship, but it will not be supportive in any normal sense of that word.

His Saturn in Your Second House

Elvis could be your key to off-beat life styles, alternate ways of living, and new-age homes. Perhaps your home life and day-to-day routine has changed since you first met him. He may encourage you to try different methods of child-rearing, homesteading, or family methods. The traditional life style is just not Elvis's way.

His Uranus in Your Fourth House

Here is someone with whom you share a broad and far-reaching vision. Together the two of you are transported by late- night discussions and common dreams. He brings out the eloquent in you, and when you are with him you sense that you are part prophet and visionary. Your religious and philosophical ideas are in fine tune. There is a very heady kind of romance here.

His Neptune in Your Ninth House

Elvis's influence could revolutionize the way you relate to other people -- your social life. You have found yourself re-examining ideas of marriage, social values, and relationships. He seems to exercise a strange power over you, and this was true from the very first time you met him. You may find yourself wanting to hide this relationship because you feel exposed. He is almost too personal at times. Knowing him amounts to a crash course in facing yourself.

His Pluto in Your Seventh House

Report for Priscilla Presley **Strengths in your relationship with Elvis Presley**

Your Mercury Trine His Neptune (orb: 02 44')

You have a natural appreciation for his problems and are probably very understanding with him. You may love his sense of organization and self-discipline. You may be a trifle undemonstrative when you are around him, a little too sober perhaps.

You probably find it easy to get lost together in any of a number of imaginative activities. You tend to get emotionally very clear and high when the two of you are together.

If there is not an understanding of this tendency, it could end up with endless arguments and harsh feelings. It's amazing, with all the energy you both have, that you can't seem to come together very often.
