Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years.

This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship.

Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

Report for Jada Pinkett Smith How You Approach Relationships

You, who are so power oriented and commanding in tone, have a greater need than most for love relationships. Who would guess that you like your lovers anything but aggressive? You need your lovers to be accepting, even at the risk of being on the dull side. Your relationships tend to be long-term, conservative, and quite stable. Your partners often have money, property, and tend to be quite possessive of your attention. Your emotions run deep and you can be fiercely jealous. You bury yourself in your relationships. Only your lover knows how vulnerable you really are.

Taurus on 7th Cusp

With you, good looks count a lot. You like partners who are charming, refined, and appreciate the better things in life. You may depend on them for appreciation and love, and you probably share the same set of values. They tend to dote on you, and you like it that way.

Venus Ruler of 7th

You approach relationships with great caution and may even shy away from them. They are not something you are apt to take lightly. If you do enter into one, it is a very solemn business with you, even downright religious. You insist that any bond be a strong one and based on the most serious of reasons. You might just find it easier to join with God and live a religious life than to take a living partner. Not much given to flings, you may prefer to marry late or be involved in a marriage where one partner is much older than the other. Your social life may include priests, ministers, monks, and other very disciplined folks.

Saturn in 7th House

Report for Jada Pinkett Smith Strengths in your relationships

Good things tend to come your way, and you could end up with a lot of money, property -- possessions of all kinds. You are by nature generous, and probably give as much as you get. There could be a love of travel and exploring, finding your own way through life. You tend to appreciate authority, your elders, and conservative values. Others will value you for your warmth and openness. You are quite fortunate.

Venus Sextile Jupiter (orb: 00 02')

You have a real drive to discover or invent things. You are always pushing the envelope, going the limit. You know it is at the leading edge where all the real breaks occur. You are fascinated by what is happening in technology and communications. Others find you original and nonconventional, especially in your love life. You have your own very original idea of love, emotions, and marriage. You march to a different drummer when it comes to relationships.

Mars Trine Uranus (orb: 00 19')

You love to lose yourself in your latest dream, whether it be a person or a project. You find it easy to be caught up in images -- dreams, psychology, metaphysics, cinema, etc. You probably love movies -- anything that flicks on the silver screen. You may be an artist and you certainly run with an artistic crowd. You are charming to the point of being enchanting. Very idealistic.

Venus Sextile Neptune (orb: 00 21')

A passionate one. You love it when a crisis emerges and threatens to shatter the normal routine, because you yearn for a chance to undergo really profound changes. You're like the survivalists who wish the world would stop pretending and get down to the nitty-gritty. Fiercely loyal, you would rather see a relationship through hell and high water than abandon it. You delight in emotional confrontation, intense conversations, and secrets of all kinds.

Venus Conjunction Pluto (orb: 01 38')

You manage to cram many lifetimes into one, for it seems like you're always being reborn and starting life over again. Others may have a hard time keeping up with your changes. You do well in face-to-face and gut-level situations that would exhaust most people. You really come into your own when the going gets tough or when it's time to "get down" and face facts. Good leadership potential for emergency situations

Sun Conjunction Pluto (orb: 04 18')

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

Moon Conjunction Mercury (orb: 05 25')

You dote on responsibility, and love to bring order and discipline to anything (or anyone) you are involved with. You wouldn't be caught dead in an extravagant display, not because you are a cheapskate, but because of your natural love of thrift and economy. Family and loved ones

get first class care and service. Others will value you for these qualities. You probably love to work.

Venus Trine Saturn (orb: 05 31')

You have a sense of the extraordinary and wonderful about you. People sense that you have an insight into the larger picture, and you can communicate this idea of unity to a group. You are great at working with images, whether psychological, artistic, or cinematic. You probably love movies and music, anything with a grand theme or gesture. You are not just another dreamer. You can put your imagination to work. Your partner may have to work overtime to live up to your ideal of him/her, and to keep you down to earth and away from woolgathering. You need someone who loves to explore the dreamy psychological underside of life. You see beneath the surface of things.

Sun Sextile Neptune (orb: 05 35')

You have an uncanny sense of justice coupled with an innate ability to interpret the law, whether manmade or natural. This may manifest thru your showing others the way thru, or beyond, the problems in their lives. A practical sense of how to manipulate the opportunities that appear in life. Just plain luck! A natural love for those with more experience or authority. A teacher, or benefactor, is likely.

Sun Sextile Jupiter (orb: 05 54')

You are very skilled and exhibit great artistry in whatever you do. Your work is always well organized and efficiently produced. You are driven to accept more and more responsibility, which is not a burden to you. This is a sign of excellent managerial ability. You're in it for the long haul and are a good example of what real discipline looks like.

Mars Trine Saturn (orb: 05 55')

You tend to like partners that are authority figures, perhaps older, or dignified, in one way. You are warm, appreciative, and tend to lavish affection on those you can look up to and respect in some way.

Sun Conjunction Venus (orb: 05 56')

Report for Jada Pinkett Smith

Who knows if that would be a good or a bad thing?

His Neptune in Your Twelfth House

Will exercises a very powerful influence over you, one that could change your career. Here is someone who knows more about what you ought to be doing with your life and career than you do, and he is not afraid to let you know about it. Your Relationship with Jada Pinkett Smith

Aside from any physical relationship, you have found a real spiritual friend in Jada Pinkett. She tends to feel the same way you do about philosophical and religious issues. You find her very supportive, a real collaborator when it comes to ideas and issues of importance. Both of you are real talkers, and probably tend to burn the midnight oil once you get going. It is possible that she may introduce you to new spiritual and metaphysical concepts or strengthen any beliefs you already have. Long trips might be in order.

Her Moon in Your Ninth House

Here is someone with real know-how.
