Starting Positions - Transit

Mars in the 3rd

08°15' Aquarius

A period of great mental activity and energy has begun. You have a lot on your mind and feel a strong need to communicate and gather ideas. Changes in the neighborhood may get on your nerves; an excess of mental energy can be distracting. Focus; pay attention!

Mars in Aquarius

08°15' Aquarius

The reformer, the inventor, the engineer, the revolutionary - these are important archetypes for you as a new cycle gets underway in your life. They are icons of the ambitions that stir you at a time like this. Independence, freedom from past patterns, and a daring readiness to innovate: such are the paths of achievement for you now.

Jupiter in the 11th

14°17' Libra

Idealism gets brought down to earth now. Friends who share ideals band together, work together, and find pleasure in making a difference - and the experience itself is worthwhile, apart from the achievements.

Jupiter in Libra

14°17' Libra

The ties that bind, the harmonious integration of opposites, the perfect balance: these are the keys to your greatest opportunities now. Marriage and other close personal relationships tend to offer bright prospects, and you have a deep yearning to experience the fulfillment they can bring.

Saturn in the 9th

20°29' Cancer

Faith untested isn't worth bothering with: that's the lesson that takes center stage in your life now. This is apt to be a time of analyzing religious, philosophical, or ideological beliefs, becoming more aware of their logical shortcomings. Legal, political, or educational experiences require serious thought and planning. Distant journeys could turn out to be more than you bargained for.

Saturn in Cancer

20°29' Cancer

Putting down roots and building a solid foundation is essential to your sense of security now. This means coming out of your emotional shell in some sense, and you may find that very hard to do - but it's essential nonetheless. Caring is not weakness, but strength.

Uranus in the 4th 08°41' Pisces

The home and family scene is likely to be in something of a state of change now - this may mean moving, an addition to the family, or such. High-tech equipment impinges on the domestic environment somehow. An eccentric relative attracts some notice.

Uranus in Pisces 08°41' Pisces

Radical mysticism, idealistic visions, new insights into the linkage between the past and future: all these things are accentuated now, as you come into a new cycle. Experimenting with artistic norms and breaking the rules satisfy an inner need, yet may exact a toll if you are not conscientious about it.

Neptune in the 3rd 16°58' Aquarius

"Don't confuse me with the facts" is your motto now, as you tend to lose sight of the details in favor of seeing the underlying connections that link them together. This can make the way you think and communicate very inspired and inspiring, but it can also lead to confused decision-making and difficulties in making yourself understood by others.

Neptune in Aquarius 16°58' Aquarius

Humanistic ideals and a belief that technology and social reform can create a utopia become powerful and inspiring images at this time. Personal and selfish concerns seem petty and ignorant - and all the more so if they are part of the status quo. Liberty, equality, fraternity: are they the ultimate answers or only the foundations for something that transcends them all?

Pluto in the 2nd 24°30' Sagittarius

Psychological values and material possessions become very important for you now, and they're in a state of change: what is old and familiar is left behind or changed so thoroughly as to be unrecognizable. This can be a very productive time in your life... could even be a Midas- touch kind of experience.

Pluto in Sagittarius 24°30' Sagittarius

The test of faith, the inquisition, the purging of the superficial: these issues take hold at the very roots of your existence now. This is a kind of spiritual or philosophical rebirth, and it is not always gentle. Ultimate answers come from far away.

Starting Positions - Secondary Progressions

- Moon in the 6th** 24°15' Aries
An instinctive urge to get serious about taking care of yourself at many levels is emphasized now. Diet, exercise, and work somehow mean more now: you want to feel good about yourself and the way you do things.
- Moon in Aries** 24°15' Aries
You're entering a phase of emotional directness and impulsiveness now, one marked by forceful and powerful feelings. Emotional beginnings, a fresh start, perhaps the establishment of new habit patterns - make sure they're good ones, because they'll set the tone for you for quite some time to come!
- Sun in the 11th** 12°44' Libra
Ideals and a sense of belonging to something bigger than the merely personal become greater focuses in your life at this time. You attach more importance to friendships and taking part in group activities that center on idealistic goals.
- Sun in Libra** 12°44' Libra
Meeting yourself in another person is the keynote of a new cycle which begins for you now. Relationships - romantic, business, social - are the arena where this drama is played out. In coming to know the other person, forging ties that bind two people, you come to a better understanding of yourself. It's easy in theory, but it's only in practice that it comes to mean anything real - so practice until you get it right!
- Mercury in the 12th** 08°00' Scorpio
Secrets, conspiracies and the hidden links that unite all things take on greater importance in your life now. Digging into the past for hints about the present and future uncovers a lot of answers to the questions that won't go away. "The unexamined life is not worth living."
- Mercury in Scorpio** 08°00' Scorpio
A pronounced curiosity about taboos and mysteries plays a greater part in your life now. Your mind is on cutting through the nonessentials and penetrating to the core is where your mind is at now; you want to know who (or what) pulls the strings. Sex, taxes, investments, and others of life's most compelling phenomena may captivate your interest more than ever before.

Venus in the 1st 24°54' Scorpio

Making a good impression and putting your best foot forward takes on greater importance as a new cycle gets underway in your life. Appearances and style may count more than substance. Romance, the arts, and other of life's pleasures seem to take center stage.

Venus in Scorpio 24°54' Scorpio

This is way beyond love, all the way to obsession - that's the nature of the cycle that now takes hold in your life. We're not talking just lukewarm WANT here; we're talking red-hot GOT TO HAVE! Passion, jealousy, possession: these are the kinds of experiences that can flow from the intensity that courses through you at one level or another now - voracious.

Mars in the 5th 18°07' Aries

You're coming into a creative and competitive phase now, one in which you want to be admired and appreciated for what you do and who you are. A lover or child becomes a focal point in your life. Romance and such creative pursuits as hobbies are an outlet for much of your energy.

Mars in Aries 18°07' Aries

Fresh challenges and initiatives light your fires now, as a new cycle begins in your life - lots of energy, a powerful urge to be first or come out on top. Away with the old and on to the new - let no one and nothing stand between you and your objective! Headstrong impulses and rash courage can take you far ... sometimes in harm's way, if you're not careful.

Jupiter in the 8th 21°25' Gemini

You have to give something in order to get something: that's the message you need to take to heart now, and it can be a very beneficial one indeed if you play by the rules. Investments can start small and grow beyond your wildest dreams now, so be on the lookout for opportunities of this sort. Sacrifice leads to gain in more ways than one, some of them not so obvious at the outset.

Jupiter in Gemini 21°25' Gemini

Facilitating the transfer of ideas and information takes on a special priority for you now. Writing, studying, and communicating play a bigger role in your life as a result. The belief that well-informed people will make the right decisions becomes an article of faith. Just remember: sometimes people know the right thing to do and STILL do something different!

Starting Positions - Solar Arc Directions

Moon in the 4th

27°11' Aquarius

A cycle of nostalgia and domesticity begins now emphasizing a need for security and a sense of roots. Family, home, relatives, and real estate play a bigger part in your life. You want to belong on a private, intimate, personal level... to be needed, and to feel it's okay to have needs.

Moon in Aquarius

27°11' Aquarius

A sense of emotional coolness or detachment at the personal level, combined with an emphasis on idealism: such is the nature of the cycle you are now entering. It's ideas that count for you now, more than narrowly personal concerns - and you may have little tolerance for people who do not operate at this level. The new, the unusual, the avant garde - these are the things that instinctively appeal to you.

Sun in the 11th

12°44' Libra

Ideals and a sense of belonging to something bigger than the merely personal become greater focuses in your life at this time. You attach more importance to friendships and taking part in group activities that center on idealistic goals.

Sun in Libra

12°44' Libra

Meeting yourself in another person is the keynote of a new cycle which begins for you now. Relationships - romantic, business, social - are the arena where this drama is played out. In coming to know the other person, forging ties that bind two people, you come to a better understanding of yourself. It's easy in theory, but it's only in practice that it comes to mean anything real - so practice until you get it right!

Mercury in the 11th

27°11' Virgo

A yearning for the stimulation of new ideas and ideals is emphasized for you now. Others may see the world as it is and ask why, but like Bobby Kennedy, you imagine the world as it could be and ask why not. New friends and an involvement in idealistic groups take on greater importance for you now... the old is suspect; the new seems to hold all the answers.

Mercury in Virgo

27°11' Virgo

Mental discipline and patience are keynoted as you enter into a new cycle. Thinking things through, accounting for all the details, making careful measurements: these and similar experiences keep your mind active and involved. An interest in health and work may come to the fore.

Venus in the 1st 10°55' Scorpio

Making a good impression and putting your best foot forward takes on greater importance as a new cycle gets underway in your life. Appearances and style may count more than substance. Romance, the arts, and other of life's pleasures seem to take center stage.

Venus in Scorpio 10°55' Scorpio

This is way beyond love, all the way to obsession - that's the nature of the cycle that now takes hold in your life. We're not talking just lukewarm WANT here; we're talking red-hot GOT TO HAVE! Passion, jealousy, possession: these are the kinds of experiences that can flow from the intensity that courses through you at one level or another now - voracious.

Mars in the 8th 18°04' Gemini

Who controls what and how to make sure you get what you want are foremost concerns now. This is a sexy and powerful kind of experience at some levels. A need to prove yourself can lead to all kinds of challenges, can lead to a new you that leaves the old behind like an outgrown shell.

Mars in Gemini 18°04' Gemini

Learning, communicating, the exchange of ideas: these are the experiences you crave as a means to make your mark now, as a new phase begins in your life. You're a person with something to say, and you realize that others have information that is essential to your goals. A time of much mental energy and initiative ... perhaps with an element of conflict tossed in for good measure.

Jupiter in the 9th 16°35' Leo

Travel and mental development at high levels are major themes in your life now. This is a time to broaden your horizons both intellectually and spiritually. Education, publishing, broadcasting, legal and political interests, and advertising offer opportunities, if you are on the lookout for them.

Jupiter in Leo 16°35' Leo

High drama, big romance, a creative bonanza: this is the stuff dreams are made of now. The world is your stage, the spotlight is your goal, and the love and appreciation of others is the air you breathe. Children, lovers, admirers: these are the people who figure large in your life as this cycle progresses. A willingness to gamble on the future.

Situations and people you thought you could rely on might not be so solid after all. Talk things over, find out what's really happening, and you should be able to enhance your security. Gurus and ideologies of one kind or another (religious, political, philosophical, and such) may seem to have all the answers at a time like this, but be very careful whom and what you believe in: you could be deceived, you might even deceive yourself. Family, home, and your sense of roots in life: there's an element of mystery or mysticism connected with such experiences now. You tend to idealize these things, to see them as you wish rather than as they truly are. This can be uplifting, or it might just put your head in the clouds. Not the most practical time in the world to buy or sell real estate, from an investment point of view.
