Starting Positions - Transit

Mars in the 6th 08°15' Aquarius

A period when you take your work more seriously than usual has just begun. A lot of energy goes into getting things scheduled and organized. The nail that sticks up gets hammered down.

Mars in Aquarius 08°15' Aquarius

The reformer, the inventor, the engineer, the revolutionary - these are important archetypes for you as a new cycle gets underway in your life. They are icons of the ambitions that stir you at a time like this. Independence, freedom from past patterns, and a daring readiness to innovate: such are the paths of achievement for you now.

Jupiter in the 3rd 14°17' Libra

A period of greater social involvement - especially with neighbors and brothers or sisters - sets in now. Learning and teaching seems to satisfy an important need. Being more in touch with other people gives you a sense of belonging.

Jupiter in Libra 14°17' Libra

The ties that bind, the harmonious integration of opposites, the perfect balance: these are the keys to your greatest opportunities now. Marriage and other close personal relationships tend to offer bright prospects, and you have a deep yearning to experience the fulfillment they can bring.

Saturn in the 12th 20°29' Cancer

Taking responsibility for errors of the past and the ways you contribute to your own undoing: these are very important issues for you now. Dodging them may be the easier thing to do, but that only puts off a day of reckoning.

Saturn in Cancer 20°29' Cancer

Putting down roots and building a solid foundation is essential to your sense of security now. This means coming out of your emotional shell in some sense, and you may find that very hard to do - but it's essential nonetheless. Caring is not weakness, but strength.

Uranus in the 7th 08°41' Pisces

Close personal relationships are in a state of flux now: old ones may be severed or transformed, new ones come into being. Balancing issues of freedom and responsibility in these areas of your life creates new priorities and a fresh approach. Partners are idealistic or unusual in some way.

Uranus in Pisces

08°41' Pisces

Radical mysticism, idealistic visions, new insights into the linkage between the past and future: all these things are accentuated now, as you come into a new cycle. Experimenting with artistic norms and breaking the rules satisfy an inner need, yet may exact a toll if you are not conscientious about it.

Neptune in the 6th

16°58' Aquarius

Mystical approaches to health may appeal to you now as never before: to the extent that they do work, it is largely a placebo effect. The work you do is somehow nebulous now - there are uncertainties that won't go away simply by ignoring them. A more realistic approach to these areas of your life won't come easily, but will be worth the trouble. Limit health risks arising from exposure to chemicals, drugs, or seafood.

Neptune in Aquarius

16°58' Aquarius

Humanistic ideals and a belief that technology and social reform can create a utopia become powerful and inspiring images at this time. Personal and selfish concerns seem petty and ignorant - and all the more so if they are part of the status quo. Liberty, equality, fraternity: are they the ultimate answers or only the foundations for something that transcends them all?

Pluto in the 5th

24°30' Sagittarius

Big changes are afoot where your creative processes are concerned, as if you're tearing things down to rebuild them anew - intense, perhaps driven. Romantic relationships have a fated, charismatic element about them. Someone you love (or are infatuated with) is changed in a fundamental way. Financial speculation can be risky, but offers big rewards.

Pluto in Sagittarius

24°30' Sagittarius

The test of faith, the inquisition, the purging of the superficial: these issues take hold at the very roots of your existence now. This is a kind of spiritual or philosophical rebirth, and it is not always gentle. Ultimate answers come from far away.

Starting Positions - Secondary Progressions

Moon in the 6th

12°25' Aquarius

An instinctive urge to get serious about taking care of yourself at many levels is emphasized now. Diet, exercise, and work somehow mean more now: you want to feel good about yourself and the way you do things.

Moon in Aquarius

12°25' Aquarius

A sense of emotional coolness or detachment at the personal level, combined with an emphasis on idealism: such is the nature of the cycle you are now entering. It's ideas that count for you now, more than narrowly personal concerns - and you may have little tolerance for people who do not operate at this level. The new, the unusual, the avant garde - these are the things that instinctively appeal to you.

Sun in the 1st

19°02' Leo

There's a more dynamic and outgoing quality to your life style now. Besting others in the heat of competition and taking on a leadership role mean more to you now than in the past: second best isn't good enough!

Sun in Leo

19°02' Leo

"This I do for me" is your motto at a time like this. This is your time to shine, like a swirl of star-stuff that has finally reached critical mass and suddenly starts to give off more light than it receives. Issues of pride, mastery, and appreciation become more and more central to your lifestream as this cycle progresses, as does a very important lesson: it's not what you do so much as how you do it, not who you are so much as how you make others feel about themselves. If it doesn't come from the heart, it shouldn't matter now.

Mercury in the 12th

04°54' Leo

Secrets, conspiracies and the hidden links that unite all things take on greater importance in your life now. Digging into the past for hints about the present and future uncovers a lot of answers to the questions that won't go away. "The unexamined life is not worth living."

Mercury in Leo

04°54' Leo

The hallmark of the cycle you have just begun is thinking, learning and communicating with style. Intellectual creativity is highlighted, and your social connections have a certain flair of drama to them. Winning the admiration of others for the things you say or write (and the way you do it) takes on more importance in your life.

Venus in the 2nd 03°18' Libra
Having and appreciating things of beauty and value plays a bigger role in your life now. Provided you don't spend it all on the fancy things that catch your eye, this can be a financially favorable period.

Venus in Libra 03°18' Libra
As this new cycle takes hold in your life, romance and social interaction take on a greater importance for you. Harmonious ties to others are what you yearn for; refinement and elegance are what you seek. The ideal partnership, the perfect balance, the highest standards of truth and beauty - these are some of the things that quicken your pulse now.

Mars in the 2nd 01°46' Libra
Instant gratification is one of the temptations to which you're subject now: you want things, and you want them this instant. This is a practical and materialistic kind of focus, one that emphasizes the making and spending of money. Learning what really counts is an important lesson that may be learned the hard way.

Mars in Libra 01°46' Libra
"I'm giving you a definite maybe" - that's the motto of the cycle you're now entering. It's a time of refinement and tact, of an urge to please others that is so strong as to make it hard to decide or act for fear of offending someone. You'll quickly learn to balance this out, or you'll discover that there is no peace in compromise - and this can be tough on close relationships. The trick is to find the win-win solution to the no-win situation - and if anyone's ever up to it, you are now.

Jupiter in the 3rd 22°07' Libra
A period of greater social involvement - especially with neighbors and brothers or sisters - sets in now. Learning and teaching seems to satisfy an important need. Being more in touch with other people gives you a sense of belonging.

Jupiter in Libra 22°07' Libra
The ties that bind, the harmonious integration of opposites, the perfect balance: these are the keys to your greatest opportunities now. Marriage and other close personal relationships tend to offer bright prospects, and you have a deep yearning to experience the fulfillment they can bring.

Mercury in the 1st

04°56' Virgo

A period of great mental activity and heightened communication with others begins now. Intellectualism, the exchange of ideas, the idea of being smart as a fox: these things have special appeal and importance.

Mercury in Virgo

04°56' Virgo

Mental discipline and patience are keynoted as you enter into a new cycle. Thinking things through, accounting for all the details, making careful measurements: these and similar experiences keep your mind active and involved. An interest in health and work may come to the fore.

Venus in the 2nd 21°50' Virgo
Having and appreciating things of beauty and value plays a bigger role in your life now. Provided you don't spend it all on the fancy things that catch your eye, this can be a financially favorable period.

Venus in Virgo 21°50' Virgo
If it makes sense you love it, and if it doesn't you feel guilty about it: that's what it's like now. A loving attention to details and a sense of satisfaction in doing what is right (especially with respect to your health) are some of the qualities that come to the fore at a time like this.

Mars in the 3rd 22°54' Libra
A period of great mental activity and energy has begun. You have a lot on your mind and feel a strong need to communicate and gather ideas. Changes in the neighborhood may get on your nerves; an excess of mental energy can be distracting. Focus; pay attention!

Mars in Libra 22°54' Libra
"I'm giving you a definite maybe" - that's the motto of the cycle you're now entering. It's a time of refinement and tact, of an urge to please others that is so strong as to make it hard to decide or act for fear of offending someone. The trick is to find the win-win solution to the no-win situation - and if anyone's ever up to it, you are now.

Jupiter in the 4th 13°36' Sagittarius
Family, home, and the other roots in your life give you a sense of mission now. There is growth and gain through these things. Generally a fruitful period for real estate investments, if you don't bite off more than you can chew.

Jupiter in Sagittarius 13°36' Sagittarius
Faith, optimism, and a yearning to explore all kinds of new horizons: these are some of the focal points in your life at this time. Travel, education, and other ways to stretch your horizons open new doors of opportunity. Religious, philosophical, and cultural matters are likely to have special appeal for you now; transmitting ideas on a broader scale brings gain.

You can't please anyone if you can't please yourself: that's the message circumstances bring home to roost for you at a time like this. Close relationships are apt to be distorted by wishful thinking, or they could go to emotional extremes beyond all reason. Mar 29 Sun Square Mercury Solar Eclipse (*Aries-Cancer 9th-11th*)
