### **3 What's Ahead: Three of Pentacles**

*What is coming.*

#### **Work/Career**

You will come together with someone to discuss a business idea or venture and to toss around ideas that could improve or market your work, and all will be in accord.

#### **Surprises**

You are going to be surprised by a sudden and unexpected business opportunity, a valuable product and a long-distance phone call.

#### **Rewards**

You will give a gift and get a gift.

**Success**

You will get some very rewarding news, as well as assistance, acknowledgement, and/or recognition in your career. And, if you are a writer, you will achieve success in publishing or literary fields.

**Work/Career**

You won't have the strength to keep plodding through with no relief or reward in sight, but a new job or assignment will be presented that will give your spirits a much needed and welcome boost.

A loving word, gift, or gesture on your part (or on the part of another) will be given.

**Guidance**

Mundane: Happiness can come from many sources, whether it's one you've named or not. God works in mysterious ways.

Esoteric: Just because no one sees things the way you do, or things don't appear to be working out, don't think that "this is real" and God (or the miraculous) is not. Cultivate a habit of applying your metaphysical knowledge to your everyday experiences by turning within instead of barricading the Infinite with stress, and It will become more real to you.

## **5 Messages:     Knight of Wands**

*Items regarding letters and communications.*

### **Mail**

Letters or documents will need special attention. Re-write, revamp, or review them, because you could find out something to your benefit.

### **Success**

You will be successful in navigating the straits in difficult business matters or financial negotiations and/or suddenly coming into love or money through the affections of a generous admirer.

### **Work/Career**

You will have to deal with very unpleasant people or circumstances in your work or career and will feel that you are wasting your time and effort, but eventually the energy will blow off and tensions will vanish.

### **Outcome**

In the end, tensions will vanish, things will be righted, and issues will be settled or resolved in your favor.

Something concerning your business or career will be provided BEFORE the desire is expressed, and you will be very surprised.

### **Rewards**

A lunch or dinner invitation is coming your way, or a sweetheart will invite you to his or her home.

### **Guidance**

Mundane: Nothing will seem to jibe, and your attempts to straighten out your affairs will feel like an exercise in futility. But don't let it defeat you because you're very close to reaching your goals.

Esoteric: What are you going to believe in, luck and failure? Or will you put your faith in God and the right outworking of your affairs? You have a choice; which ear will you listen to?

**6 Finances: Seven of Cups**

*Issues involving finances.*

**Finances**

There will be small gains in your finances and a bank statement, account, or error to attend to, but it will get corrected.

**Success**

You won't feel capable of mastering the steps it takes to succeed, but someone or something will come along that will help you or make your way easier.

**Work/Career**

Your life may feel so empty that there will be nothing to do BUT your work, and at times even that will be unrewarding.

**Outcome**

You will put things together in your mind and come to a final synthesis or resolution that will bring a deep feeling of gratitude or contentment.

**Surprises**

Someone who doesn't follow through as anticipated is going to create a sudden change of plans, or you will be surprised by an uplifting message from a corporate head or superior.

**Rewards**

A debt will be paid, and there will be money in the mail or news that you will soon be receiving some.

**Guidance**

Mundane: Don't let conditions, appearances, or what others have to say sway you or veer you off your ideal. What you want is right under your nose, just waiting to be discovered.

Esoteric: Don't alienate yourself from life-giving forces. God dwells in you as you and in everyone and everything else.

**7 Anxiety: Six of Pentacles**

*Things that may cause trouble or anxiety.*

**Anxiety**

You will be anxious about an uncomfortable undertone of unfinished business because your affairs will not be clear, resolved, or settled in your mind.

**Success**

Your best success will come from educational resources or a new kind of work that will surpass or supersede the old.

**Work/Career**

New elements will come to the fore in your work environment, but you will still be unsettled because you have not yet established yourself or landed in the position in which you want to be.

**Outcome**

Your affairs will still be unsettled but you'll move into a happier atmosphere.

**Surprises**

A new program, plan or promised venture will fall through or fail.

Someone will relay their appreciation for that which you've given them, or you will receive an offer of sponsorship or a gift of money.

**Guidance**

Mundane: There ARE answers available and the key to solving problems is to stop thinking about them.

Esoteric: Problems exist only as long as you think about them. Keep your attention on the now and act as if it were the first and last moment you will ever have on earth. As Don Juan once said, "There is no guarantee that you are going to live a single moment longer."

## **8 Disappointment: Ten of Wands**

*What may cause disappointments.*

### **Disappointment**

You will feel that your desire for the things you want will go unfulfilled for a long, long, time and that the "work" you must do in order to pull things together or complete them will take forever.

### **Success**

Your success will be the result of patient, diligent, and thorough research instead of rushing ahead blindly and through your ability to apply yourself to a goal until it's completed to your satisfaction.

### **Work/Career**

You will change your routine or wrap up the work you are currently doing in order to do something else along a different line (perhaps another kind of work).

### **Outcome**

You will persevere in spite of difficulties, burdens, or financial problems until things are resolved, completed, or you get what you want, and a new venture will begin that will ease a lot of your previous tensions or anxieties.

### **Surprises**

You will be unprepared for the added responsibilities brought on by another person's words or deeds.

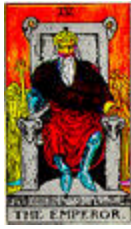

### **Rewards**

You will get an unexpected career opportunity.

### **Guidance**

Mundane: Be determined to have what YOU want -- the goal is in reach.

Esoteric: Don't accept mediocrity. Chip away all that isn't perfect and you will have what is.

## **9 Beginning: IV The Emperor**

*Beginning a new undertaking.*

### **Outcome**

You will manifest most, if not all, of your desires, and someone (perhaps a man) will be very beneficial to you or to what you seek.

### **Surprises**

You will be surprised by your unexpected progress, good fortune, or "arrival" in business or financial matters, or you'll surprise yourself by making a major "yes" decision you've been putting off.

### **Rewards**

You will wine and dine someone, or they will wine and dine you.

### **Guidance**

Mundane: An opportunity will arrive that could be the foundation of a very successful future. This will be a very propitious happenstance.

**10 Time: Ace of Cups**

*How you will feel over time.*

**Time**

Your best success will come through your creative, inspired, or innovative ideas. This could be anything ranging from books and presentations to fine arts or useful products.

**Success**

You will escape from oppressive situations and have unexpected gains in business or finance.

**Work/Career**

You may take some sick leave or "blow out" of an unpleasant job or work situation, or you could change your mind about taking a job you really didn't want but felt you had to take because of financial considerations.

**Outcome**

You will escape from oppressive situations or prisons of the mind or body and will acquire whatever "means" or resources you need, and you will find a new outlet for your talents or abilities.

**Surprises**

You will be caught off guard by many unexpected problems and sudden handicaps. But on the positive side, if you want to sell your home or property, you will.

**Rewards**

You will be "given" the power to overcome unfortunate circumstances; don't worry.

**Guidance**

Mundane: The problem is not with you but with others. They are the ones causing misfortune, not coming through, or not living up to their end. But even though the problems are great, they can still be overcome.

Esoteric: It's not "what is" that stands in your way but your fear of it or resistance to it.

Try to remember that every experience has a positive end in view no matter what it looks like now.

Someone is going to express an interest in the work that you do or have done. They could also express an interest in YOU.

You will purchase a gift for a friend or relative.

**Guidance**

Mundane: You are going to get what you want.

Esoteric: Despite apparent odds, you're on a course that's so strong, it's destined to succeed. Nothing can halt or divert you.

### **13 Outcome: III The Empress**

*The outcome, or summation of the reading.*

#### **Outcome**

Expect delays or postponements, but there is a promise of future success.

#### **Success**

Your success will come through a positive change in your attitude, trusting your intuitive resources or inner promptings, and doing what the heart dictates, and in anything pertaining to nature, organics, or "the great outdoors."

#### **Work/Career**

You will try to put off work for a while and/or schedule business appointments for a later date, or you will want to work in a human-potential profession that motivates others through self-actualization or creative interaction.

#### **Surprises**

You are going to be surprised by a sudden flirtation or romantic possibility.

#### **Rewards**

You will give someone a gift in appreciation or exchange for a service they provided for you, or one will be given to you.

#### **Guidance**

Mundane: This is not a time to think, act, or do. You're already overloaded, and mental pursuits will not give you what you need. Further attempts to follow your intellect or reasoning mind will only cause frustration or lead you astray.

Esoteric: You are in a reorientation period. If you have neglected to heed your feelings or intuitive faculties, you will be prevented from utilizing your intellectual resources until the balance is restored. Thought must learn to unite with feeling, and in this case, feelings must lead.
