1 Past: King of Cups

Your experience to date.

Endings

A disagreeable situation and a negative emotional condition will come to an end.

Others

You will suddenly find yourself in a position to promote yourself or something you do but will run into unexpected obstacles because of the lack of consent or interest expressed by another.

The Home

Something new is about to be established that's going to change your outlook -- something good. This could be news from or the arrival of a lover.

Family

Your relatives will be experiencing emotional difficulties due to their partners or financial conditions. They may discuss the possibility of moving or coming to live with you, or vice versa.

Disappointment

You will be disheartened by unfulfilled romantic desires -- close, but no cigar!

Action

Don't let your desire color what is. Refuse to accept less than is correct in people or settle for what is "so-so." A sow's ear dressed up to look like a silk purse is still a sow's ear. Put your ideas to the test.

Outcome

Business will take an upward swing, new projects will be in the making, and if your "significant other" has yet to appear, you'll know that there's a Divine Order sustaining your fundamental needs and the time is drawing near.

2 Now: Eight of Pentacles

Where you are now. The circumstances which motivate the question.

The Home

You will be looking for the solution to a problem (be it external or internal) or the best action to take in order to effectively get a handle on it or clear it up.

Others

You will be greatly affected or impacted by an encounter with another. You will also be acknowledged for being bright and/or making a positive impact on others.

Family

You will have a difficult time with family members or in trying to make travel arrangements or schedule outings together -- try to avoid contention.

Disappointment

You will be disheartened by unsuccessful ventures or love affairs and difficulties in achieving your goals.

Action

Don't try to force issues; wait for things to change. This is not a time to assert yourself. If you try, you won't get what you're after or will lock horns with your peers. If you just sit tight, you will gain considerable help or means.

Outcome

You will have small successes but not big ones.

3 Near Future: Page of Pentacles

Your near future.

Beginnings

An acquaintance will help you make a change for the better by revealing a new approach or alternative to a matter of great concern.

Others

A friend will want to play matchmaker or bring you and another together in a business endeavor; or a friend will help you in a business matter. Whatever the case, it will be a pleasurable experience.

The Home

You will be feeling pensive, moody or depressed, and may leave to go shopping or out for breakfast, lunch or dinner. You will also have a lot of work or chores to do.

Family

You will want to cancel your plans with your family, or will have to postpone.

Disappointment

Unfavorable news concerning your business or finances or a promising lead that doesn't pan out will be a disappointment.

Action

Be willing to listen to, or act upon, new ideas.

Outcome

You won't want something that isn't right, no matter HOW much you want it, and you won't give up until you get it.

4 Near Future: XV The Devil

Your environment in the near future.

Beginnings

You will be fed up with the lack of results for your efforts and trying to keep your "chin up" through setbacks and reversals, and you will decide to withdraw your energy or give up.

The Home

This is not a good time to push for results, scrutinize situations, or move to a new location. Others will have the upper hand, so don't make waves or force confrontations.

Others

You will be extremely irritated or angry with an associate and will take action on it or let them know it, or you will feel overworked, overtired, unappreciated, and on your own.

Family

You will feel like an emotional garbage dump and will be unable to get an idea across or attain what you want or need, but in time, you will find an equitable solution.

Disappointment

You will be disheartened by the neverending battle to succeed and being blocked or stymied at every turn.

Action

Don't forge ahead blindly. Slow down, plan carefully, and proceed with caution. Get a second opinion if necessary.

Outcome

You won't be able to shake off adversity or conclude matters to your satisfaction but will realize that "to everything there is a season and a reason."

5 Hopes: Three of Wands

The best you can hope for.

Success

You will gain the respect, cooperation, or admiration of others, take the right action, or make the right decisions.

Desire

You want a successful partnership or union, and to overcome the nagging feeling of fear or apprehension concerning it.

Others

You will have mixed emotions regarding some and will be complimented, well liked, and enriched by others.

The Home

You will leave your home in the hope of manifesting your desires or to meet someone who can help you attain them.

Family

A relative or close friend will be expressing their concern over the signing of a contract or settlement of a business deal.

Disappointment

You will be discouraged about a business trip or venture that is not panning out as anticipated or going according to plan.

Action

Trust that your ideas CAN be realized, and expect the best.

Outcome

New partnerships will be established, successful conclusions will be reached, and your apprehension will dissolve.

6 Outcome: VII The Chariot

The outcome or summation of all cards.

Outcome

Though nothing will have changed significantly in your outer world, you'll have changed dramatically, and you will be revamping your objectives or your approach to life as a result.

Others

You will be uncomfortable around others because of confusing situations and will find yourself going through the motions or exchanging social pleasantries, but not really participating or meaning it.

The Home

There will be many unexpected problems to combat, but you will overcome them all and attain a sense of deep satisfaction, and events concerning real estate, property, or a new home will take a surprising twist.

Family

Plans or schedules will be discussed with your relatives, but you'll feel pressured by time or other commitments.

Disappointment

You will be disappointed in the sudden collapse of an idea or valued object, in disillusioning mental, spiritual, or emotional pursuits or past failures, and you will want to give up on everything, including life.

Action

Look to your inner world, change the way you REACT to events, and choose to be happy. When you let go of fear or doubt, success will come.
