I Stay the Same: VII The Chariot

What will stay the same.

Focus

The focus is on introspection, reevaluation and decisions of passion; confusing issues that make you reexamine your affairs and ask questions, such as: "Should I do this, or that? Is it this, or that? Will it work out, or won't it?".

Desire

You don't know what you should do or where you are going, and are afraid of losing control. You want to force a resolution, but you don't know how.

Work/Career

You will wonder if you should pursue a plan or continue a project but will be driven to do so, and a perplexing dilemma will be resolved for the time being. You could also have an opportunity to be filmed or taped or to work with film or tape.

Unions

Passions will be strong or grow quite fast in your dealings with others, and you'll be thinking about what the future holds in terms of your relationship.

Anxiety

An upsetting condition, confrontation, or conversation with or regarding another is going to trouble you a great deal, and you won't be able to get help or comfort when you think you need it.

Action

Look to your inner world, change the way you REACT to events, and choose to be happy. When you let go of fear or doubt, success will come.

Guidance

Mundane: You will soon have a new perspective and attain great peace or satisfaction.

Esoteric: All paths lead to the same place and we are all doing what we are supposed to be doing, even when we're wondering if we should or shouldn't be doing it or think we're making mistakes of going astray. The real issue is, will you overcome or be overcome.

Will you choose "aliveness" (even if there are no safe spaces) or will you choose "deadness"?

2 What's Ahead: IX The Hermit

What's coming up.

Disappointment

You are going to be very disappointed in the "things" of the earth, i.e., life, love, and the pursuit of happiness.

Desire

You want to change your destiny or get back together with the one who's been estranged.

Work/Career

In a very short time, productivity will increase and people will seek you out for your talent, knowledge, or wisdom. You can also expect recognition, acclaim, and financial success.

Unions

You will want to bridge estrangements and share your heart with someone, and some special communication will be implemented.

Anxiety

You will be troubled by the fact that there are no real answers or solutions to your questions and/or that the advice you do receive is unwanted.

Action

Don't strive to overcome a situation or force a resolution. Take a modest or reticent approach with dignity and unassuming grace.

Guidance

Mundane: You WILL attain what you are seeking.

Esoteric: You've reached a point in your evolution where you should KNOW that you don't have to have all the answers, or know the future in advance, in order to ward off failure. Reservations and distrustful thoughts are barriers that stand between you and the Source, and they must be worn down and eliminated.

3 Changes: II The High Priestess

What conditions will change.

Endings

You will no longer accept what is counterproductive, nor will you sacrifice what's fundamentally right for momentary satisfaction, so you will direct your actions accordingly and take steps to correct problem areas.

Desire

You want to follow through with a course of action and/or to utilize an idea, skill, or philosophy.

Work/Career

Business will be very slow in the beginning but will pick up greatly later on, and you will make very good money (or more than others). You may even receive an unexpected bonus or two.

Unions

You will be at a crossroads and will wonder if you are going to come together or split apart once and for all, but you'll have to wait before the answer will be revealed, because only time will tell.

Anxiety

You will be troubled, frustrated, and upset over a tedious, time-consuming, or unpleasant job situation or an encounter with sexual overtones.

Action

Visualize the desired result as an accomplished fact and ACT as if you are ALREADY what you want to be, and it will happen.

Guidance

Mundane: Once you make a decision or decide upon a goal, make a commitment to it and let nothing divert you from it or keep you from attaining it. Recognize the patterns that have sabotaged you in the past, and cut them off.

Esoteric: This is a gestation period. Changes are taking place on the inner planes, and at the appropriate time, these new energies will be released and you will spring back into full force.

4 Causes: III The Empress

What will cause the changes.

Surprises

You are going to be surprised by a sudden flirtation or romantic possibility.

Desire

You are discontented because something is missing or lacking in your life or because you want to find something creative, meaningful, or fulfilling to do, but you don't know what.

Work/Career

You will try to put off work for a while and/or schedule business appointments for a later date, or you will want to work in a human-potential profession that motivates others through self-actualization or creative interaction.

Unions

You will be examining your relationships with others and trying to sort out your feelings.

Anxiety

Communicating with others will be a strain, and you will be frustrated because you'll feel you're in a "holding" pattern.

Action

Heed your feelings or instincts and not your intellect, and learn to trust your feelings more.

Guidance

Mundane: This is not a time to think, act, or do. You're already overloaded, and mental pursuits will not give you what you need. Further attempts to follow your intellect or reasoning mind will only cause frustration or lead you astray.

Esoteric: You are in a reorientation period. If you have neglected to heed your feelings or intuitive faculties, you will be prevented from utilizing your intellectual resources until the balance is restored. Thought must learn to unite with feeling, and in this case, feelings must lead.

5 Beginnings: The Fool

In what way the conditions will change.

Beginnings

You will have the conviction that no matter what life hands you, it's going to be all right. You will also embark on a new program or creative endeavor involving papers, methods, or studies that will be very rewarding or gratifying.

Desire

You want to be happy and are searching for the thing that will bring it or for a better understanding of the workings of God or the way in which He answers.

Work/Career

You will begin a new enterprise that will afford you the opportunity to work with or teach the public on a grander scale. And if you've been thinking about leaving your current job or taking a leave of absence, in time, you will.

Unions

If your relationship serves you or your growth, you will stay together. If it does not, you will let it go and move on.

Anxiety

You are going to feel that you won't be able to get on with or complete a project now that it's begun, or that it will take far more work than you're equipped to handle, or that you've gotten in way over your head.

Action

Release wants, cares, or worries and "let go, let God." Don't hang on to an idea or a support system out of fear of failure or loss.

Guidance

Mundane: You of yourself do not know what you need or what will bring happiness in the long run. If you let go of all you think you want or need, "want" will also go, and in its place you'll find its objective: happiness.

Esoteric: "The kingdom of heaven is within you." Talk things over with God. The more you do, the more clearly you'll understand His guidance (as a natural inner urging) and the way in which He responds.

6 Understand: Four of Wands

What you need to understand.

Guidance

Mundane: You will have a struggle trying to get things accomplished, meet your obligations, or ward off the "ghosts" of your past and all the memories associated with them.

Esoteric: Your first response is to want to quit, run away, or evade the issue but the best response is to deal with it. It is only through participation in all of life (the good, bad, and incomprehensible) that we find answers enabling us to correct ourselves and our problems or better understanding the workings of God.

Desire

You want to quit or give up.

Work/Career

A business partner or associate will upset or irritate you. Steer clear; you can't win anyway.

Unions

You will be confronted with unexpected problems and will wonder if you or your partner is being totally honest or portraying a situation to be other than the way it is.

Anxiety

You will be troubled by too many things to do, unavoidable commitments, or a crisis with a friend, lover, or family member.

Action

Produce the best you are capable of as effectively as you can, and don't try to live up to a conception of how you think you should be -- or what anyone else thinks for that matter.

7 Future: Knight of Pentacles

Future wants.

Desire

Want the kind of personal fulfillment that only love or the grace of God can bring and to enjoy the simple things in life and all they have to offer.

Work/Career

Business may have been slow in the past, but things are going to take an upward swing and improve greatly.

Unions

You will be seriously considering a marriage or union and all of its ramifications.

Anxiety

You will be troubled by insecurity and the fear of failure, or be upset because of a business partner or associate who doesn't support you, or who is cold or indifferent toward you or your goals.

Action

Follow your heart, your 'hunches' or your 'gut' reaction -- do what feels right and don't do what doesn't.

Guidance

Mundane: Your efforts will be rewarded in more ways than one.

Esoteric: Set aside a time to be still, a moment away from the hustle and bustle and all the thoughts that occupy your mind -- "In the stillness you shall know Me."

8 Outcome: Two of Wands

The Outcome

Outcome

You will find a way through but not yet be completely established.

Desire

You are hoping that something good is about to happen, and you want to see it materialize.

Work/Career

You will be in a position of power, expansion, and surprising success, and because of this, your attitude will be improved and your determination renewed.

Unions

Good news will brighten your spirits: someone you've been estranged from or who closed you out or cast you aside is going to try and win you back.

Anxiety

You'll be worried about a course of action you took or a major purchase that was made.

Action

Proceed in a step-by-step manner, doing only what is required. Don't do anything you're not completely sure of or that you don't want to do, or you will end up regretting it.

Guidance

Mundane: An offer is about to be presented. If you don't feel right about it or it isn't enough, don't sell yourself short or settle for less. There IS something better on the horizon.

Esoteric: What you need to know will be intuitively given and later confirmed.
