Finances

You will make enough money to get by and will have an opportunity to make more.

Focus

The focus is on character, stamina, and (self) discipline; courage, faith, or conviction; doing your best according to the circumstances you find yourself in; and gathering strength, biding time, or awaiting the right moment to act.

Endings

You are going to put an end to waiting around for something to happen and to the way you have habitually dealt with situations in the past.

Beginnings

An old friend or lover will suddenly appear, bearing a new opportunity that could be just the thing you want or need.

News

You will be waiting for a call or response from someone, and you will soon have one.

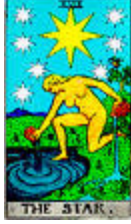

Blessings

You'll be grateful for the opportunity to do what you want to do after a long period of hard work or exacting labor.

Guidance

Mundane: If you don't succeed at first, try again. Also, expect good news concerning business, love, or finances.

Esoteric: You're going to have to go it alone for the time being, fighting your own battle your own way, and the past will provide nothing to lean on or sustain you. If you fall down, get back up and dust yourself off. Refuse to be beaten by life and you won't be.

Energy, desire, emotions, attraction. Water.

Desire

You want to find (or regain) a sense of meaning, inspiration, or purpose to your life, and you hope your future will be better than your past.

Guidance

Mundane: It's the call of destiny that motivates you or compels you to go on. Your desire is NOT in vain, and what you are yearning for will ultimately find fulfillment.

Esoteric: Yogananda states: "The Karmic Law requires that every human wish finds ultimate fulfillment." Could it not follow, then, that your desire is the thing itself, knocking at the door?

3 Solar Plexis: Three of Pentacles

Power, self, assurance. Fire.

Focus

The focus is on activities pertaining to work or career goals, papers, mail, literature, words, meetings, plans, construction and practical application.

Action

Don't be reticent when it comes to accepting new opportunities or pushing yourself, your ideas or your product.

Endings

Communication problems, withholds and hard feelings will come to an end.

Beginnings

You will get together with someone on an idea or partnership and will also be making revisions in your work or presentation in order to increase your earnings or make your returns more lucrative.

News

An awaited message will arrive with very positive results. Could be from an admirer.

Blessings

You are going to be grateful for a meeting you will have with another that will inspire your confidence and shine a bright light on your future.

Guidance

Mundane: You will have to revamp, redirect or make some alteration in your current work or plans.

Esoteric: The goal is worth the suffering.

4 Heart: VIII Strength

Love, trust, surrender. Air.

Romance

You will not be ready to commit or become totally involved in a new relationship. This could be because of an emotional attachment to the past.

Others

You are going to feel challenged by others who directly or indirectly oppose you or your ideas, and an encounter with a man (or woman) is going to leave a lasting impression on you.

Focus

The focus is on challenging situations pertaining to business and finance, family matters, things that stemmed from the past, spiritual fortitude, rebeginnings, and results or reward for persistence and effort.

Endings

Restraints will come to an end, and positive changes in your business affairs in the form of recognition or promotion will at last come your way. You can also expect improved conditions in your finances and love life.

Beginnings

A situation will arise with one who will exert a great deal of power or influence over you. You will be steadfast in your goals or intention and, if challenged, will take up the gauntlet and WIN. Nothing will defeat you.

News

You are going to get some unexpected news concerning your work (could be through a phone call) that will dispel some of your doubts, put a new slant on your work, or increase your earnings.

Blessings

You will be grateful for spiritual help, intervention, or assistance.

Guidance

Mundane: There are powerful spiritual forces at work and obstacles to your success will be overcome. You will be given the power to succeed.

Esoteric: This is an important Karmic period, and actions taken during this time will be the needs of your tomorrow. If you are feeling challenged, it's because you are harboring a deep-seated misunderstanding, mistrust, or resentment toward someone (perhaps even God), and you are being given the opportunity to resolve it once and for all -- remember, love conquers everything, even Karma.

5 Throat: II The High Priestess

Communication, perception, expression.

Others

You will be cold toward those who are insinuating or who operate unethically or under false pretenses, but others will provide unexpected assistance or aid, and your ideas, requests, or presentations will be well received.

Mail

You will receive a financial statement or form that will need your endorsement.

Focus

The focus is on positive and negative polarities: waiting, learning, assimilation, and application; trade, finance, and negotiations; public activities or public relations.

Endings

You will no longer accept what is counterproductive, nor will you sacrifice what's fundamentally right for momentary satisfaction, so you will direct your actions accordingly and take steps to correct problem areas.

Beginnings

A new product or future business endeavor may come into view, or you could seek a new agent.

News

A message or communication will require a decision or necessitate action on your part.

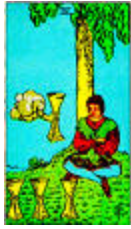

Blessings

You will be grateful for a release from tension and the opportunity to work, make money, or expand in your field of endeavor.

Guidance

Mundane: Once you make a decision or decide upon a goal, make a commitment to it and let nothing divert you from it or keep you from attaining it. Recognize the patterns that have sabotaged you in the past, and cut them off.

Esoteric: This is a gestation period. Changes are taking place on the inner planes, and at the appropriate time, these new energies will be released and you will spring back into full force.

6 Third Eye: Four of Cups

Visualization, intuition, telepathy, ESP, clairvoyance.

Beginnings

You are going to have to do some accounting for bills and/or could go on a shopping spree.

In the very midst of despair or limbo, something will be offered that you will consider to be a great blessing -- something related to your work, finances, or love life.

Focus

The focus is on the material aspects of life, such as physical wellbeing or mortality as well as (spiritual) obsessions, desire, want, purpose, ability, and application.

Endings

You will put an end to things that serve no purpose or go nowhere.

News

You are going to get a call for work.

Blessings

You will be grateful for the indication of better days to come, heralding the promise of a brighter tomorrow.

Guidance

Mundane: No matter what it looks like now, there is still an avenue for fulfillment.

Esoteric: The Buddha became enlightened only after he had done all that he could do and had given up.

7 Crown: Four of Pentacles

The cosmos, Universe, cosmic consciousness.

Outcome

You will establish a new approach or foundation, but in romantic affairs will remain detached, guarded or noncommitted until you see which way the ball is going to bounce.

Guidance

Mundane: What is success really worth? Are you willing to pay the price?

Esoteric: If obstacles are confronting you, it's because you're moving in the wrong direction or proceeding in error. More facts need to be uncovered.

Focus

The focus is on work, success and financial security; a 'safe' space or environment; making every effort count and not wanting anything to go to waste.

Endings

A debilitating health condition will come to an end, and/or someone you love may die, or will have to be put to sleep -- perhaps an animal.

Beginnings

You're going to be directing your energies toward material gain or profit and will soon begin a new venture with someone you like very much.

News

Expect a very positive financial message.

Blessings

You will be thankful for someone's help in an undertaking or the kind words, intervention or concern expressed by another.
