1 Desire: Eight of Swords

What you want.

Desire

You want to get out of an oppressive situation or change your present line of work.

Focus

The focus is on withdrawal, imprisonment, "endarkenment," restriction or oppression, handicaps, accidents, health problems, danger, hardship, deadlock, or limbo.

Emotions

You will feel trapped in a negative cycle of events and will fear that the future holds more of the same.

Pleasure

There will be many surprising developments in your social affairs, and romance will inspire several exciting (if elusive) moments.

Time

In time, you will overcome oppression (or prisons of the heart or mind), and a new area of relaxation or emotional fulfillment will come to the fore.

Blessings

You will be grateful for a release from pressures and/or a new partnership or business contract.

Guidance

Mundane: The problem is not with you but with others. They are the ones causing misfortune, not coming through, or not living up to their end. But even though the problems are great, they can still be overcome.

Esoteric: It's not "what is" that stands in your way but your fear of it or resistance to it. Try to remember that every experience has a positive end in view no matter what it looks like now.

2 The Present: Eight of Pentacles

What is going on now.

Romance

Love may be difficult to ground, but someone will light up your life (or be the best thing about life) and, if there's no one special now, you'll attract romance like a bee to honey.

Focus

The focus is on assistance or backing of an idea or project, risks, finances and assets, enlargement, accomplishment, employment or commission, kinship, friendship, romance and betterment.

Emotions

You will be uncomfortable or off balance because you will feel the advent of change or the necessity to implement changes and you won't want to leave the safety or security of your home or what's been previously established.

Pleasure

You will enjoy the fact that you are making a positive impact on others, or making a difference in their lives, and will be pleasantly surprised by an unexpected romantic possibility that will intrigue you or pique your interest.

Time

You will soon sever a relationship with one who's been difficult or disappointing, and you will form a new alliance.

Blessings

You will be grateful for the help or assistance of others as well as a financial bonus, employment opportunity or offer of backing on a project.

Guidance

Mundane: Circumstances are going to change for the better.

Esoteric: You're not equipped to change conditions or better your situation on your own. The answers or assistance you require must come from others whose experience, understanding, or knowledge is greater than yours.

3 Changes: Seven of Pentacles

Current situations likely to change.

Endings

Patience and complicity will end.

Focus

The focus is on a situation, or pause in progress, causing great dissatisfaction, anxiety or depression; there will be a reevaluation of goals, aspirations or life itself.

Emotions

You are going to feel unresponsive, 'apart' or indifferent towards people and events because of a deep-seated depression stemming from wanting to succeed but feeling that every effort has come to naught and there's nothing you can do to change it.

Pleasure

You are going to be pleased with a new possession that you purchase for yourself or your home and a new discovery will bring unexpected joy.

Time

Things will look as if they are going from bad to worse, but you're on the threshold of a new discovery.

Blessings

You will be grateful for a new possession or gift.

Guidance

Mundane: You have what it takes, you just need someone who can help you get where you want to go, or put it all together. Hang on; help is coming.

Esoteric: If you plant a seed, it doesn't blossom overnight - it takes time. No amount of wishing it to be otherwise will make it grow any faster.

4 Troubles: Knight of Cups

What is or may be causing trouble.

Anxiety

You will feel that you've made the wrong choice in a partnership, even though it seemed to be the right choice at the time (and the only option).

Focus

The focus is on good friends, social occasions, opportunities to travel or get away from the home environment or advance through education or public relations, and on branching out into new worlds.

Emotions

You will have an overwhelming feeling that things are good or that something good is about to happen.

Pleasure

A new environment, project, or opportunity will offer a vacation from monotony and lift your spirits.

Time

You'll see no point in dwelling on an existing business or relationship problem and will pull yourself out of it by directing your energies elsewhere.

Blessings

You will be glad that you, as well as others, are finally making advancements toward your goals and that things are looking up for all.

Guidance

Mundane: You will be advancing toward your goals. Expect positive changes, because things are looking up.

Esoteric: Asking "why this and not that" stems from lack of faith. Pretend that you have faith and faith will be given.

5 Feelings: Five of Swords

How will you feel.

Emotions

People who promise and then fail to deliver will cause great unhappiness or bitter disappointment.

Focus

The focus is on unforeseen problems, struggles, and defeats that cause a depressed or distressed turn of mind. You won't feel like expending energy on superficialities and will be frustrated in work, love, and health.

Pleasure

You will be pleased about your success in a new venture and about a surprise call from a lover or admirer.

Time

In time, things will let up, and you will be more relaxed about your situation.

Blessings

You'll be grateful for proof that your efforts have been effective and your faith in the Universe has been restored.

Guidance

Mundane: You're in for a struggle, and more work or problems are ahead than you're aware of now.

Esoteric: If God wants you to do something, He will give you the desire for it and the power to do it.

6 Time: Page of Pentacles

The effects over time.

Time

You will experience many fluctuations and ups and downs (mostly downs), related to your profession, finances or status.

Focus

The focus is on employment, profession and status, scholastic or romantic endeavors, mental labor, practical idealism and dynamic efforts, and/or a person with a Capricorn-type of temperament.

Emotions

You will be up and down (mostly down) and rather gloomy trying to sort out your feelings and the feelings of others.

Pleasure

You will be happy with the results of a social outing or scholastic or academic project, lecture or tour.

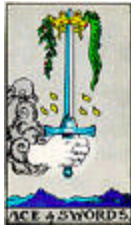

Blessings

You will be grateful for unsolicited praise for your work or literary efforts and a fortunate business/social call.

Guidance

Mundane: Realize the futility of effort. If something is meant to be, it will come of its own accord. When you stop seeking, searching or expecting it will begin to happen.

Esoteric: Since you're not the cause and are powerless to change what is happening, it's futile to be upset.

7 Help: Ace of Swords

What will help or hinder you.

Blessings

You are going to be grateful for the support and confirmation you get from others, a significant vote of approval for your efforts.

Focus

The focus is on a period of pressure, tension, anxiety, and explosive situations related to correspondence, communications, and responses from others.

Emotions

You'll experience frustration caused by tense conditions, but you will be determined not to let it fluster you, so it won't for long.

Pleasure

You will enjoy working with new ideas and creative projects and developing new concepts (also reading or writing).

Time

You will be strangely detached from the problems of yesterday, and balance will be restored in every area of your life.

Guidance

Mundane: You are going to get what you want.

Esoteric: Despite apparent odds, you're on a course that's so strong, it's destined to succeed. Nothing can halt or divert you.

8 Course: Six of Swords

How you should proceed.

Action

The problem is not going to go away of its own accord. You must alter your stance or take action to resolve it.

Focus

The focus is on evaluations, opinions, obstacles, or problems related to public or professional people, career goals, and working relationships.

Emotions

You will be sick and tired of problems, complications, and things not going the way you want them to, and you will make a concerted effort to focus your attention on the now and to forget about the future AND the past.

Pleasure

You will restructure your thinking and find a sense of solitary satisfaction, self-worth, or wellbeing.

Time

In time, you will reap many rewards (especially material), and your work environment will vastly improve.

Blessings

You will be grateful for the arrival or realization of a new platform for future endeavors.

Guidance

Mundane: The first step in correcting a problem is to acknowledge the fact that you have veered off your course or are moving in the wrong direction. That recognition is enough to stop the momentum from continuing.

Esoteric: Your pain could be an indication that you are healing. On the physical plane, when one has surgery the next step is recovery, which can be just a painful. When the spiritual or emotional body undergoes "surgery," the healing process is much the same.

9 Union: Six of Pentacles

What this relationship will produce.

Unions

Even if you come together, you will experience a sense of separateness and will feel as if the distance is increasing.

Focus

The focus is on token starts; promising enterprises or career opportunities, investment potentials; health decisions; solvency and gratification.

Emotions

You will be in a positive mood and looking forward to something new.

Pleasure

You will be pleased that you are doing better work than you thought you were capable of.

Time

Several prospects will be in the making, all of which look promising, and someone will surprise you with a charitable act or deed.

Blessings

You will be thankful for the opportunity to make more money and the development of a new kind of work or business enterprise.

Guidance

Mundane: There ARE answers available and the key to solving problems is to stop thinking about them.

Esoteric: Problems exist only as long as you think about them. Keep your attention on the now and act as if it were the first and last moment you will ever have on earth. As Don Juan once said, "There is no guarantee that you are going to live a single moment longer."

10 Outcome: Queen of Wands

The summation or outcome of this reading.

Outcome

A sacrifice will have to be made because you cannot and will not accept less than the best or what you know to be intrinsically right.

Focus

The focus is on new avenues or paths, family matters or get-togethers, metaphysical or spiritual pursuits, love affairs, personal fulfillment, and/or a person with a Leo-type temperament.

Emotions

An unexpected stroke of good fortune will cause your spirits to soar.

Pleasure

Happiness will come through just rewards in your career, a romantic interlude, and through attracting whatever you need in the way of professional assistance.

Time

In time, what you are in need of will be provided and a confusing or upsetting issue will be straightened out for the good of all.

Blessings

You will be thankful that you are well liked or admired and that you are back on the path in your career (or spiritual goals).

Guidance

Mundane: True guidance proves itself in that it brings with it the action or ability to carry it out ("and by its fruits shall it be known"). If you are in a quandary, remember that decisions usually make themselves when the time comes.

Esoteric: Your spiritual development will be resumed, and what was missing will be provided.
