1 Kether: Page of Cups

Spiritual impulse, higher self.

Guidance

Mundane: Don't bite off more than you can chew in your passion to go forward, or you will find things hard to swallow. The time is not right, and you are not ready or fully prepared.

Esoteric: Don't think you're alone or that you're not being helped. It's fear and impatience that blinds you from the truth or deafens your receptivity to the spirit. When it no longer serves your growth to not know something, you will know.

Focus

The focus is on unfoldment or expansion, yearning and discernment, meetings, discussions and work-related projects for the future, and/or a person with a Pisces-type temperament.

Beginnings

You'll offer your services to others and seek to aid those in need who could benefit from your experience, and/or you will be on the verge of saying "yes" to a major venture or project.

Endings

A long-term problem is going to be resolved, but other conditions will still be up in the air.

Blessings

You're going to receive an answer to a problem or obtain what was sought after.

Others

Other people will cause you to reexamine your objectives and what you want out of life, and romance could find you at your work -- a very intriguing possibility.

2 'Hokma: Four of Swords

The male force, the Father.

Surprises

You will be surprised by someone who calls, asks you out, or strikes your fancy. This could also indicate an encounter with someone who is in the news media, police department, or legal field.

Focus

The focus is on ACTIVITY, with special emphasis on printed materials such as letters, papers, and graphs as well as money matters, social affairs, self-promotion, and starting or renewing a business of your own.

Beginnings

You will experience frustration, anger, or tears resulting from unfulfilled desires or insurmountable difficulties, but that condition will not last long.

Endings

Something you imagined would be the case is not going to transpire (something regarding a planned activity connected with your work, travel, or romance).

Blessings

You are going to receive an answer to a prayer.

Guidance

Mundane: You will get what you want.

Esoteric: Your affairs are in accord with Heaven.

Others

You will be looking for a way to handle a situation that seems unjust, unfair, or not right, but people you conduct business with will be encouraging or eager to extend themselves.

3 Binah: XVIII The Moon

The Female force, the receptive. The Mother.

Disappointment

You are going to be very disillusioned by other people's actions, words, or deeds, and you may also be chastised unfairly.

Focus

The focus is on inner disturbances or disquiet, feelings of foreboding or dread, and a very perplexing, changeable, or deceptive course of affairs in whatever area is most important to you at the moment.

Beginnings

A new trend or group effort will begin, and things will work out after all. A new friend may also be found.

Endings

Strife, conflict, confusion, and despair over old wounds or grudges will cease to exist.

Blessings

You will have the presence of mind to take the middle road, which will free you from the pendulum of win/fail, have/want, or pleasure/pain.

Guidance

Mundane: There will be many unforeseen changes and unexpected occurrences, and only when you are willing for things to be the way they are and accept them AS they are, will they change. You can't run from the problem; the only way out is through.

Esoteric: There is a law of balance operating in the universe which demands equality. For every win there must be a loss, for every happiness, a sadness, and for every positive move, a negative challenge. You cannot have one without the other; it would be like trying to separate day from night.

Others

Your response to others will be inconsistent and changeable, but you will want to help them find their inner light.

4 'Hesed: King of Swords

Ideals, the Law, inner will, religious matters. Female relatives.

Success

Your best success will come through the discovery of a new way of relating that will allow you to see things through the eyes of others and to embrace a new dimension of experience. But this could also indicate success in legal matters.

Focus

The focus is on trying to get ahead or make it in the world; inner and outer conflicts; behavior modifications; clarity and discernment; legal matters, police, or professional assistance; and/or a person with a Libra-type temperament.

Beginnings

You'll cut through adversity, see things the way they really are, and set things straight in your personal affairs. Also, someone you've been putting off or "stringing" along is going to call.

Endings

Separateness and being alone are going to come to an end.

Blessings

You will be grateful for the ability to ward off conflicts, negative behavior patterns, and physical or emotional assaults.

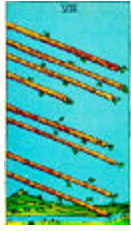

Guidance

Mundane: Stay detached. You will be able to perceive the truth in situations, and your impressions or perceptions will later be confirmed.

Esoteric: Don't be afraid to be defenseless of "lay your cards on the table." It can make a difference, because what's consciously or unconsciously being expressed is coming from genuine concern.

Others

Challenging situations are going to arise that will cause you to guard yourself, and you'll be so caught up in defending your position, you'll fail to see the feelings of others. When you realize it, you'll feel ashamed.

5 Geburah: Eight of Wands

Determination, strength, the power to act, aspirations. Male relatives.

Action

Take more responsibility, initiative, or accountability for results. Leave home (if necessary) or do some shopping around, and don't be afraid to take a chance or make yourself more available or accessible to others.

Focus

The focus is on expansion, movement, time spent away from home, romance, meetings and gatherings, new opportunities, and long-distance communications.

Beginnings

New ideas or opportunities concerning your business affairs will put a new slant on your life or open new doors.

Endings

Unhappiness, displeasure, and feeling alone will come to an end.

Blessings

You will be grateful for the end of stagnation or delays, renewed activity in your career, and a new outlet for your talents. This could also indicate a new agent or promoter.

Guidance

Mundane: You're approaching your goal, but your affairs will not be completely set, decided, or determined.

Esoteric: You needn't be anxious about your affairs. The Universe knows what things you are in need of. What you want has already been established and you will be led into it or it will come to you.

Others

Someone will cause you to make changes in your thinking or current plans (a positive development), and a better arrangement will be made.

6 Tipareth: Queen of Wands

Balance, harmony, heart center, control, solar plexus.

Focus

The focus is on new avenues or paths, family matters or get-togethers, metaphysical or spiritual pursuits, love affairs, personal fulfillment, and/or a person with a Leo-type temperament.

Beginnings

You can expect a sudden surge in your love life, with advances from an intriguing foreigner or someone from a different country, culture, or background.

Endings

Your relationship, marriage, or love affair is going to come to an end.

Blessings

You will be thankful that you are well liked or admired and that you are back on the path in your career (or spiritual goals).

Guidance

Mundane: True guidance proves itself in that it brings with it the action or ability to carry it out ("and by its fruits shall it be known"). If you are in a quandary, remember that decisions usually make themselves when the time comes.

Esoteric: Your spiritual development will be resumed, and what was missing will be provided.

Others

It will be hard for you to really let go and let a love affair or personal relationship happen.

7 Netzach: Ace of Pentacles

Desires, emotions, feelings, romance, arts and creativity.

Pleasure

Pleasurable pursuits, financial agreements and spiritual matters are going to bring you a lot of personal satisfaction, and something that was cut off (or you thought was dead) in the past is going to spring back again.

Emotions

You will be in a fun-loving frame of mind and material rewards or sensual pleasures will take center stage.

Romance

You will be thinking about romance and will want to have a significant love affair. If already involved, you wish your partner would be more loving or responsive.

Beginnings

You will take action to repair, correct or reinstate yourself or your affairs, and you will also embark on a pleasurable pursuit, shopping spree or new business venture.

Endings

A new opportunity or relationship is about to spring from something cut off or thought dead, and your loneliness is going to end.

Blessings

You will be very grateful for the generosity bestowed upon you by another.

Guidance

Mundane: It may take time, but what was cut back or pruned WILL spring back. "All things come in time."

Esoteric: If you've come to a dead end, it's because you lack the kind of knowledge that only time and experience can acquire.

Others

You will not be willing to compromise or to associate with those who do not support you, your growth, or the way you want to feel about yourself, and you will not let your heart rule your head.

8 Hod: VII The Chariot

Communication, speech, thoughts, logic and the mind.

News

Someone will call and invite themselves over, or someone will call and come over.

Focus

The focus is on introspection, reevaluation and decisions of passion; confusing issues that make you reexamine your affairs and ask questions, such as: "Should I do this, or that? Is it this, or that? Will it work out, or won't it?".

Beginnings

You will be considering the possibility of a union with someone you like or love -- what would it be like???

Endings

A fixed attitude, unworkable involvement, or unpleasant experience will come to an end, followed by a new perspective, sudden insight, or uplifting turn of events.

Blessings

You will be grateful that things are working out better than anticipated, and of their own accord.

Guidance

Mundane: You will soon have a new perspective and attain great peace or satisfaction.

Esoteric: All paths lead to the same place and we are all doing what we are supposed to be doing, even when we're wondering if we should or shouldn't be doing it or think we're making mistakes of going astray. The real issue is, will you overcome or be overcome.

Will you choose "aliveness" (even if there are no safe spaces) or will you choose "deadness"?

Others

You will be uncomfortable around others because of confusing situations and will find yourself going through the motions or exchanging social pleasantries, but not really participating or meaning it.

9 Yesod: Seven of Swords

Imagination, instincts, sex, habits.

Emotions

Your plans will not go smoothly, and you'll be under a lot of pressure trying to perfect or correct things or put them in order, because you're taking on more than you're capable of or prepared for.

Focus

The focus is on attempts, efforts, uncertain or unstable conditions, introspection, analysis, perfection, priorities, self-protection, family members, partners, and health.

Beginnings

You will begin to see things as they really are in terms of objectives and will establish a precedent. And if you have been working too hard, you will take some time off for "R-and-R".

Endings

A business partnership, labor dispute, or conflict with employees, partners, or associates will be resolved amicably.

Blessings

You are going to be grateful for an unexpected financial gain or surreptitious advantage.

Guidance

Mundane: Things are going to clear up and work out.

Esoteric: Perfection is a concept that was derived from something you decided was "good" or "right," and what you're doing now is being compared to that decision. But in reality, perfection is nothing but an idea.

Others

You will enjoy the company of others and will be happy to be spending time with them.

10 Malkuth: I The Magician

The body, physical condition, the environment, the present.

Outcome

You are going to begin again on a new foot or with a new partner.

Health

You will experience stress and/or find it difficult to ascertain the problem or obtain the correct medication.

Guidance

Mundane: A situation has been (or soon will be) presented that has all the inherent components to the manifestation of your desires. Take the best from it or move on it, because it is through this that a new potential will emerge.

Esoteric: You are only at the first stage of your development and you must understand your place in the Cosmic Scheme of things. The Universe always gives more than you can conceive of or ask for -- all you have to do is accept more. "Thou shall decree a thing and it shall be established unto thee."

Others

You will be struggling to assert yourself or your work, but that is going to change dramatically.

11 Daath: King of Cups

Summation or culminating card.

Anxiety

You will be distraught over the lack of support you feel you are getting or because of the emotional burden you have to carry with your family, friends, or loved ones.

Guidance

Mundane: What you want or need will come to you, and you will be provided for.

Esoteric: Unfortunately, the work you're in insulates or alienates you from social involvement. However, you can rise above your emotional limitations by remembering that God is your source and works through many channels and in many ways. Open your mind to the possibility of a new beginning.

Others

You will suddenly find yourself in a position to promote yourself or something you do but will run into unexpected obstacles because of the lack of consent or interest expressed by another.
