1 Future: Two of Cups

What is coming up.

Romance

There will be no union or total commitment with the one you love or want to be with until you resolve an inner dispute first (like getting clear on what it is that you need and want).

Beginnings

When you least expect it, and from a source you least expect, you will be assisted or advanced in your finances, profession, or social life.

Focus

The focus is on relationships, choices of the heart, deep feelings, or physical unions; affinity, assistance, support, and cooperation, reunions, or reconciliations; laughter, joy, and pleasure.

Endings

You will no longer look forward to or plan ahead for the future with another.

News

Someone will call while you're away or unable to come to the phone, and you'll be curious about who it was. Or, someone will invite you to a celebrated event or special opening.

Blessings

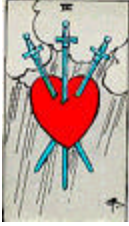

You will be grateful for the care and concern of a new-found friend.

Guidance

Mundane: You will acquire considerable help from others and attain some achievements on your own.

Esoteric: Doubt, fear, or lack of faith can make you turn away from your chosen path.

The reason this is so is that you do not trust where you are being led.

2 Changes: Three of Swords

What conditions will change.

Romance

Because you have experienced suffering and heartache in the past, you may not be willing to extend yourself now.

The Home

You will be "fixing up," improving, or reconstructing your home or things around the home.

Surprises

You are going to be very surprised by the appearance of someone you didn't expect to see or hear from. This will be a very positive development.

Focus

The focus is on personal relationships, business delays, and exterior influences, and strife; adversity, separations, and disappointment; followed by restructuring, rebuilding, and renewing.

Endings

The hope that someday things will get better will end, and you will feel that everything you want is completely out of reach or that what you want the most is never going to happen.

Beginnings

Whether you like it or not, changes will have to be made. But you will get what you need, and what looked like a defeat or lost cause will be the dawning of something better.

News

You will have to confront an unpleasant issue with a friend (could be over travel plans) or lie to get out of an invitation or engagement.

Blessings

You will thank God for the establishment of something better in your life or affairs, after you thought that all was lost.

Guidance

Mundane: Abortive attempts or delays are in your favor. New ideas or actions will replace old ones, and something better will be established that could not have happened otherwise.

Esoteric: Surrender that which is painful or obsolete and let God make changes or resurrect the situation.

3 Causes: Seven of Swords

What will cause changes.

Romance

An admirer will want to see you and will phone or come to call.

Others

You will enjoy the company of others and will be happy to be spending time with them.

Surprises

You will be surprised by an unexpected reunion or by the sudden appearance of an old friend, lover, or business associate.

Focus

The focus is on attempts, efforts, uncertain or unstable conditions, introspection, analysis, perfection, priorities, self-protection, family members, partners, and health.

Endings

A business partnership, labor dispute, or conflict with employees, partners, or associates will be resolved amicably.

Beginnings

You will begin to see things as they really are in terms of objectives and will establish a precedent. And if you have been working too hard, you will take some time off for "R-and-R".

News

You will attempt to reach someone, but they will be out of touch or their phone will be disconnected.

Blessings

You are going to be grateful for an unexpected financial gain or surreptitious advantage.

Guidance

Mundane: Things are going to clear up and work out.

Esoteric: Perfection is a concept that was derived from something you decided was "good" or "right," and what you're doing now is being compared to that decision. But in reality, perfection is nothing but an idea.

4 Change Type: Two of Swords

The way things will change.

Romance

The unexpected is going to happen: a new romance or potential love affair with one who is extremely charming, comforting, or well-to-do.

The Home

A decision will be made soon, and/or surprising news could lead to an unexpected trip. Be ready to move quickly. You may also be considering a major purchase.

Focus

The focus is on moving ahead with anticipation (in spite of fear, doubt, or confusion), making decisions, and aligning yourself with supportive or responsive friends.

Endings

Troubles or disputes are going to end and an ironic twist is in store. You will find that you want what you didn't want before.

Beginnings

You will find that most of your worries were completely unfounded.

News

A surprising letter or message will bring a "magic carpet" over difficulties.

Blessings

You will be thankful for help, assistance, and/or backing on a (new) project or venture.

Guidance

Mundane: Expect a surprise in your business and personal affairs. The past is on its way out, and a new element is about to emerge that will make the old way obsolete.

Esoteric: Everything in the universe follows a natural rhythm and order just as day follows night and harvest follows fallow. Your time for harvest is drawing near and when that time comes, a new spirit of enthusiasm will reign.

5 Needs: XIV Temperance

What you need to understand of do.

Romance

You are going to have an unexpected call from or "encounter" with an admirer, someone you were attracted to or involved with in the past, who's returned as if to have a last go-around or to close that chapter in your life for good.

Guidance

Mundane: Many unforeseen or unexpected events are going to come up, but these elements will chemicalize, neutralize, or transform situations, all with a positive end in view.

Esoteric: What you're experiencing is a clash between the old and the new, a chemical reaction in mind, body, and affairs caused by a reaction to a new action. There is nothing to fear; it's part of the process and without it change could not occur.

Focus

The focus is on all the things you thought you had completed or had a handle on -- old friends, lovers, habits, desires, health, money, or business problems -- resurfacing for the sole purpose, it seems, to "test" you to your very core.

Endings

You will no longer be subject to limitation, anger, frustration or emotional pressure.

Beginnings

Everything on every level is going to be transformed into something else, and you will find yourself moving in a completely different direction. This will be a vast improvement.

News

You will have to confront someone in order to collect money that should have been paid to you, or to regain ownership or get the paperwork moving, and it will be a delicate situation.

Blessings

You will consider it a blessing that you have a friend or boss that favors or loves you.

6 Outcome: Queen of Swords

Future wants and outcomes.

Outcome

Though you won't know how, what, or why, you'll stay emotionally detached, trying to do the right thing, until what you need to know is revealed.

Romance

You will be separated from the one you love and will feel that the most important thing about your life is gone and can never be replaced.

Focus

The focus is on development, research, or investigation; science or electronic devices; instruction, training, or the desire to break into a new area; deep thinking, change, new thinking, and/or a person with a Virgo-type temperament.

Endings

A proposed business plan will fall through, and new projects will be difficult to launch.

Beginnings

You will make a decision to resolve a conflict by cutting off the person who caused it or by withdrawing emotionally.

News

You will hear some news or information that will elicit a tearful response. Loss is indicated for a relative.

Blessings

You'll be grateful for a new avenue to pursue and a change in your outlook.

Guidance

Mundane: Emptiness is a necessary vacuum. A cup that is already full has no room for more.

Esoteric: Relinquish self-guidance (ego) and allow the Higher to lead. There are times when earthly desires must be sacrificed in order to make room for a Divine Plan.
