

Tarot Reading for Tiger Woods on April 12, 2002
What does the outcome of the Masters have in store for Tiger?

1 Future: Ten of Wands

What is coming up.

Beginnings

You'll have a lot of work to get accomplished, because a new way of life is emerging (both personally and professionally), and you'll have to complete the old and embark on the new simultaneously.

Focus

The focus is on a major change or move from one thing or place to another; on planning, executing, plodding through and meeting practical difficulties in order to bring a new way into being; and on new projects and taking steps toward progress.

Surprises

You will be unprepared for the added responsibilities brought on by another person's words or deeds.

2 Lesson: Six of Cups

What you need to understand.

Guidance

Mundane: Happiness can come from many sources, whether it's one you've named or not. God works in mysterious ways.

Esoteric: Just because no one sees things the way you do, or things don't appear to be working out, don't think that "this is real" and God (or the miraculous) is not. Cultivate a habit of applying your metaphysical knowledge to your everyday experiences by turning within instead of barricading the Infinite with stress, and It will become more real to you.

3 Surprise: Nine of Cups

What will come as a surprise.

Surprises

A chance meeting or phone call is going to bring unexpected good fortune or financial gain.

4 Love Life: XX Judgement

What will change in your love life.

Romance

Someone's actions or attitude will make you think twice about seeing them again, starting up again, or continuing the relationship.

5 Luck: Ten of Cups

Where you will find luck.

Fortune

You will have luck in obtaining freedom from responsibilities.

6 Inherit: Ten of Pentacles

What you may inherit.

Inheritance

You will receive a dividend, legacy or inheritance; positive reinforcement in your profession, or a new method of operation.

7 Endings: Six of Swords

What will be ending.

Endings

A major problem or obstacle related to your work or personal affairs is about to be resolved. You can't see it coming, but it's very near.

8 Blessings: Ace of Wands

What you will be thankful for.

Blessings

You will be glad that you are busy or able to proceed with your work or creative ideas with renewed energy.

9 Emotions: VI The Lovers

How you will feel about events.

Emotions

Your emphasis will be on your work, your studies, and reaching your goals (rather than social activities). You will tend to be a loner, but be prepared for the unexpected, because that is going to change considerably.

10 Outcome: Two of Swords

The summation or outcome of the reading.

Outcome

Some success will be attained, but some obstacles will still remain.
